

## Chapter 5: Acts of Social Injustice (Part 2)

Hours had passed since Christopher fought off Sage and Thyme. Catherine had her right ankle wrapped up by the doctors after mitigating the swelling; she was in the sick room where both Christopher and Sophie were keeping a close eye on. Then, Eugene and Jessica appeared. As you can see, Eugene was shocked to see Catherine hurt.

Eugene: What happened? Who did this?!

Christopher: It should be obvious; it was the SJWs. They were behind this attack on her.

Eugene: I can't believe this.

Sophie: You better believe it. If we allow them to do whatever they want, we're going to find somewhere else to work.

Eugene: . . . . .

Christopher: How oblivious can you get, Eugene? They're striking us big time; you're going to have to do something about this.

Eugene: I will; why won't you just shut up?!

Christopher: What? Eugene, I want you to - - -

Eugene: SHUT UP!!! I'M REALLY STARTING TO GET TIRED OF YOUR EXCUSES, CHRIS!! JUST LET ME RUN MY RESTAURANT!!

Christopher was getting mad at Eugene from that outburst.

Jessica: Dad, this wasn't his fault; I think you should leave him and Catherine alone. I'm sure Catherine will recover soon.

Eugene: (calms down.) Alright. (speaks to Christopher.) You better pray that she'll get well soon; you're toast if she doesn't. (leaves.)

Jessica: I'm sorry for my father's outburst. But I hope you're feeling better.

Christopher: I am well. I really want to knock some sense into him but thank God that you're here. Are you going to stay here a bit longer?

Jessica: No. I got some personal things to take care of.

Christopher: Ok. Take care of yourself, Jessie.

Jessica leaves.

Catherine: Why didn't you tell them about the demons, Christopher?

Christopher: I have no reason to; the last thing we need right now is another lunatic running his restaurant. I'm sure he'll figure it out, eventually.

Catherine: (feeling upset.) . . . . .

Christopher: So, Lisa. Can you heal Catherine's ankle?

Lisa: This injury of hers shouldn't be a problem for me to heal. (she heals Catherine's right ankle.)

Christopher: How long is the recovery?

Lisa: Three days; all she needs to do is rest.

Christopher: Ok. Just try to recover; I'll keep the restaurant safe from those harlots.

Catherine: Thank you very much.

Christopher and Lisa leave the hospital and drove home. The next morning, Christopher was ready to go to work; Maxelle and Iris had the day off.

Christopher: I'm off to work, ladies.

Lisa: Be careful out there, master.

Christopher drove off to work. When he arrived, while he was in his car, some members of the Social Justice Warriors were throwing eggs at the restaurant building – provoking Christopher.

Christopher: Get out of here! You're making me late for work, idiots!

Then they start to throw eggs at Christopher's car. This angered him; luckily, the police officers showed up to stop them with tear gas. Christopher was able to make it to work on time; without any hesitation, he entered the restaurant.

Cedric: Christopher? What's wrong?

Christopher: Where's Eugene?

Cedric: He's in his office with - - -

Christopher went straight to his office to see him. Todd and Billy followed Cedric to Eugene's office. Christopher saw that Maureen and Rachael were in his office.

Eugene: What do you think you're doing here?

Christopher: It should be obvious; you ladies should be laying eggs for what you're doing now. So, what brings you here?

Maureen: We're here to discuss some things with Eugene about shutting down this restaurant. I heard that some of your female employees were having complaints about how you were mistreating them.

Eugene: (feeling defensive.) Where did you hear that from? I treat my employees as fair and honest as I can.

Maureen: What about Christopher?

Christopher: What about me? I haven't done anything wrong to warrant these false accusations.

Maureen: Sure, you haven't. Unfortunately for you, I got my work cut out for me, in this ordeal.

Christopher: I knew you sent your members to attack our shift manager on purpose. How can you call that work?

Maureen: What is it to you? You don't even understand what it is like being a woman; to me, you're just a selfish bastard, as usual.

Christopher: You have some nerve. My father used to tell me not to hit women, but you're really starting to push your luck.

Eugene: Ok, Christopher; that's enough.

Maureen: Did you hear what your boss has to say?

Christopher: No, I want you to leave right now. If you don't, I will use force.

Rachael, Todd, Cedric and Billy were shocked that he said that.

Maureen: I think you lack the willpower to do that.

Christopher: We're not going anywhere; this restaurant maybe Eugene's, but this is Rocky Bernard's establishment. I really don't like women who operate above the law.

Maureen: I like to see what you can do about that, pussy.

Christopher punched Maureen in the face; he broke her glasses. Todd and Cedric had to hold him back from approaching Maureen.

Christopher: You're the one that's a pussy, Maureen.

Cedric: No, Christopher! Stop!

Christopher: You want to be a man, get up so I can treat you like one!

Billy: Christopher, please!

Rachael: Are you alright, Maureen?

Maureen: Yeah. (sees that her glasses were broken. Got angry.) Those were designer glasses, asshole! You're going to pay for this; if this place isn't shut down tonight, we're going to burn this place down to the ground.

Eugene: You wouldn't.

Maureen: And I will. I suggest you agree to our terms; if you don't, we will take action. Let's go, Rachael.

Maureen and Rachael leave the restaurant. An hour passed since Christopher attacked Maureen Sanders; he was in Eugene's office.

Eugene: I can't believe you did that to Maureen.

Christopher: I had to do something; the SJWs were planning to shut us down. What were you going to do? Have her and Rachael as your personal attendants?

Eugene: No.

Christopher: Could have fooled me.

Eugene: After what you just did, I'm going to have to suspend you for a week without pay. Now, get out of my office.

Christopher: Ok, I'll leave. I hope you don't choke on your decision to suspend me; who knows, maybe, I would've kept your restaurant safe for another day.

Christopher leaves his office; then Jessica appears.

Eugene: What do you want? I didn't call for you.

Jessica: You're making a mistake suspending Christopher. I think you should lower his suspension.

Eugene: Why should I? You saw what happened to Maureen.

Jessica: Father, please.

Eugene: I'm standing by my decision AND I DON'T LIKE ARGUMENTS!!!

Jessica: (feeling annoyed.) You just made the biggest mistake of your life, if you allow the SJWs to burn this restaurant down, tonight.

Jessica leaves his office. Meanwhile at Christopher's location, he arrives at his apartment – angry.

Maxelle: You're home early; what happened?

Christopher: What do you think, Maxelle? I got suspended for a week for attacking the leader of the Social Justice Warriors.

Lisa: That's terrible.

Maxelle: What was her name?

Christopher: I heard Rachael call her Maureen.

Maxelle: Maureen? As in Maureen Sanders?

Lisa: Do you know her?

Maxelle: Yes, she's a demon in affiliation with Ogra.

Christopher & Lisa: She is?

Christopher: How is that even possible?

Maxelle: We have records on her and all of Ogra's affiliates on our council's website.

Maxelle gets on Christopher's desktop PC and show him and Lisa the Council's website at [www.councilofdemonhunters.org/wanted-demons.php](http://www.councilofdemonhunters.org/wanted-demons.php).

Christopher: It's amazing what you can find on the internet these days. Man, I'm living in the dark ages.

Iris: Why are you so surprised? We're more than just demon hunters, we're tech-savvy as well.

Christopher: Gee, thanks, Iris and Maxelle. (then he sees Michael Ross' name on the list.) Michael Ross? What the hell is he doing on this list?

Lisa: Do you know him?

Christopher: I do. (he checks out his affiliation and sees that he has no affiliation with any demon group.) Damn, empty.

Iris: Is there something wrong?

Christopher: No, I also forgot to tell you that the SJWs were going to burn Rocky Bernard's restaurant to the ground. We have to find Maureen Sanders immediately and stop her.

Maxelle: I know where she is. She's ten miles west outside of Lubbock's city limits; she lives in a mansion.

Christopher: Ok.

Iris: I'll notify Wendy about this operation. Let's bring Sophie along with us.

Christopher and his crew drove off to stop Maureen and her allies. Meanwhile at Maureen's mansion, she had a joint meeting with her fellow SJW members. There were fifteen of them in her mansion. They were stunned that she had a black eye.

SJW Member: Maureen, what happened to you?

Maureen: What do you think happened? Tonight, we have a crash and burn notice for Rocky's Super Gourmet. They got some unruly people there, mainly Christopher Mason and Eugene O'Hara. Once we go there tonight, I want you ladies to seek and destroy everything in sight.

Rachael: Are you serious?

Maureen: I never have been serious; Christopher really got my blood boiling.

SJW Member: It seems like he got inside your head, but anyway we'll deal with him.

Maureen: Good. That will be all for this evening; you're free to go.

The Social Justice Warriors left Maureen's mansion. Then, Michael Ross appears to see her.

Michael: Well, hello there, Maureen. How's life treating you, so far?

Maureen: It's been hell for me; however, I'm enjoying every moment of it.

Michael: By the way, I heard that there was an old classmate that resides here and he's a Raiken.

Maureen: Who is he?

Michael: His name is Christopher Louis Mason; he has been training with the demon hunters to control those powers. So, if I were you, I wouldn't underestimate him or those other demon hunters.

Maureen: I know. How about going to my room so we can do some extracurricular activities? Huh?

Michael: I wouldn't mind getting my hands dirty with you, sweetie.

Michael and Maureen went to the bedroom. Rachael was curious of what Maureen was doing hanging around Michael Ross. As you can see, Rachael was shocked to see Maureen having sex with Michael. Rosemary caught her eavesdropping on them and was captured.

Maureen: Mary? What are you doing here?

Rosemary: I caught this woman red-handed.

Rachael: I can't believe you tricked us. You sold us out!

Maureen: It was bound to happen anyway; and besides that, we're demons. I guess we'll have you as a scapegoat for Lord Ogra.

Rachael: No! Please, Maureen; have mercy on me! Please, have mercy on me!

Maureen: Mercy's for the weak. Take her away, Mary.

Rosemary knocked out Rachael had her bound and gagged in her office. Meanwhile, outside, Christopher and the demon hunters were infiltrating Maureen's mansion to rescue Rachael and defeat Maureen and her allies.

Sophie: How are we going to get in?

Maxelle: It shouldn't be a problem. It's a good thing you have on your workout attire. Try using your body and that outfit of yours as a lure. Then we'll attack.

Sophie: Ok.

Sophie sees the two guards near the gates of Maureen's mansion. She lured them away from the mansion and Christopher entered the mansion and electrocuted the guards. Maureen sensed that Raiken energy.

SJW Member: What was that?

Maureen: It's him; brace yourselves. He decided to come at us directly.

Christopher broke down the doors with his Raiken powers.

Christopher: I think it's time for a new intervention. It's time to re-educate you ladies what true social justice is.

Maureen: Save that for someone who cares. Remove this man from my sight!

The guard tried to grab him, only to be electrocuted.

Christopher: I'm not playing around, Maureen Sanders; I suggest you tell me where Michael Ross is.

Maureen: You're out of luck my friend; he's far from your reach. You'll never find him, even if you want to kill me.

Maxelle: It's no use, Christopher. We have to fight them.

Christopher takes on Maureen, while Damien, Maxelle and Iris take on Rosemary, Sage and Thyme. Meanwhile at Sophie and Lisa's location, they were behind the house locating Rachael. Lisa used her Shadow Hiding magic to get Rachael out of the mansion. The guards saw Sophie and Lisa and tried to pursue them but they were beaten by Avi and Wendy.

At Christopher's location, he was struggling to get close to Maureen. She generated a whip causing him to fight from a distance.

Maureen: What's the matter? Feel like surrendering?

Christopher: No! You're degrading the true meaning of social justice; I will defeat you!!

With that new resolve, Christopher's Raiken powers awoke. Maureen was insulted.

Maureen: It seems like you've been holding out on me after all, Raiken. Bring it on, you pitiful excuse of a Raiken.

Christopher rushed straight at Maureen. Before she could attack him, Christopher caught her whip and absorbed its energy particles. (Ion Absorption)

Maureen: That's impossible! I thought your Raiken powers were incomplete! How were you able to do that?!

Christopher: Easy, you underestimated me. You lived long enough corrupting women by your ideals of social justice; now, live with regrets in hell.

Christopher electrocuted Maureen to death – forcing Rosemary, Sage and Thyme to flee.

Christopher: Wait! You haven't told me where Michael Ross is!! Wait!!!

Christopher passed out. Then, Sophie, Lisa, Wendy and Avi appear.

Lisa: Christopher! Is he alright?

Iris: He passed out from using his Raiken powers.

Wendy: Let's leave this place, Avi, before the police shows up here.

Avi teleported Christopher and the others back to his apartment. The next morning, Christopher wakes up and sees Sophie, Maxelle, Iris and Lisa sleeping beside him. Then he goes outside to see Rachael.

Christopher: Are you alright? I'm sorry for what happened yesterday.

Rachael: It's fine. The police arrested the SJWs that were planning to destroy your restaurant; Jessica saved it from being destroyed.

Christopher: That's terrific. So what are you going to do now?

Rachael: I'm going on vacation. Promise me this, just try to keep this area free from these demons; that's what my brother would have wanted.

Christopher: I will. Enjoy your vacation.

Rachael leaves the apartment strip. Meanwhile at Ogra's hideout, Rosemary, Sage and Thyme arrived after Christopher defeated Maureen.

Ogra: What are you doing here? Aren't you supposed to be aiding Cumin in defeating that new Raiken?

Sage: That new Raiken killed her, Lord Ogra. We had no other choice but to escape; there's no telling what would've happened if we didn't escape.

Bella Donna: What are we going to do now, my lord?

Ogra: I guess we'll deal with the other Raiken. Then, we'll deal with the other one.
