

=====
Episode 11: The Heat is On
=====

At the police station, Rosemary was busy torturing Eugene. As you can see, Rosemary was enjoying every moment of Eugene screaming in pain. The police guard tries to stop her from hurting Eugene; as soon as he approached Rosemary, he was electrocuted and blown out the building by Leo Mason. He was being mind-controlled by Ogra himself.

Eugene: No. Please! I beg of you; you got what you wanted from me, just let me go.

Rosemary: I'm afraid I can't do that, sweetie. I just like your pain and anguish; it makes me cringe.

Bella: Ok, I'm taking me a nap. Try not to hurt him too much; we have plans to have him as a sacrifice for Ogra.

Rosemary: Why? (feeling annoyed.) Raphael has already captured Catherine and brought her over to Ogra as a sacrifice. I'm just doing him a favor.

Bella: Sure you are. Just wake me up if that other Raiken shows up. (leaves.)

Rosemary: That bitch.

Meanwhile at Christopher's location, Lisa, Wendy and Avi were healing him and his crew back at the Myles's household. Christopher was becoming concerned about Eugene and Catherine.

Lisa: What's wrong, master?

Christopher: I'm concerned about Eugene and Catherine. I sure hope that they're OK. Anyway, where is Eugene?

Kei: I heard that he got arrested.

Christopher: For what? What did he do?

Kei: He got arrested for engaging a minor in sexual activity. The minor was Mary Halvertson.

Christopher: Mary Halvertson?! How old was she? I thought she was 21 years old!

Avi: She lied about her age, Christopher. According to the Council's records, she's 19 years old.

Christopher: I see. Anyway, we have to get her and Bella immediately.

Lisa: What? What about your scars?

Christopher: What about them; we have to rescue Eugene from those fiends. Otherwise, we're going to have to find work elsewhere.

Avi: Dont worry, Lisa. They haven't received any major damage; they should be alright.

Lisa: OK. I'm coming with you, Christopher - just to make sure that you're safe. I'm guessing that department is filled with demons.

Christopher: It shouldn't be a problem. Ready, Maxelle and Iris?

Iris: Of course we are.

Christopher, Maxelle, Iris and Lisa drove off to the Providence Police Department to rescue Eugene. When they arrived, he was shocked to see that those demons killed the entire police force.

Christopher: I can't believe this. Why would they kill those innocent people?

Maxelle: Now's not the time to be emotional, just focus on the task.

Christopher: Ok, Lisa. Stand back.

Christopher was able to break the front gate of the police department. Bella woke up when she felt that Raiken power.

Bella: Great. They're here; kill those bitches.

Maxelle and Iris were able to fight against her minions inside the department and defeat them. Then, Rosemary appears to fight against Christopher.

Rosemary: Well, ain't this a bitch. I didn't know you want to die too early.

Christopher: I'm not the one that's going to die; you are. Prepare yourself, demon.

Christopher and Rosemary fight. He was under the ropes with Rosemary - dodging her Rose Needles. She wasn't able to hit him with those needles but Christopher was able

to absorb her needles by using another magic tech to absorb the ions of Rosemary's Rose Needles. (Ion Absorption) When he got close, he grabs her and used his Raiken powers to fully electrocute her. Rosemary is dead.

Bella: Mary! You bastard; I can't believe you killed her.

Christopher: You better believe it. I wanted to use that attack against Ogra, but I guess I'll have to use it on you.

Bella: You seem cocky. Ok, Leo; it's your turn.

Christopher: Leo?

Leo: Yes. Your big brother, Leo.

Christopher was shocked to see his big brother being under control by Ogra.

Bella: What's the matter, Christopher? Aren't you going to fight him?

Christopher: (angry.) No! (he fires his lightning beam at Bella but Leo was able to protect her by using his dark lightning shield.) That's impossible. What did you just do to him?

Bella: Nothing for you to notice. He challenged Ogra's power and lost; the only fitting thing we did was made him OUR slave.

Christopher:

Bella: What's the matter? Aren't you going to cry like the bitch you are, Christopher Louise Mason?

Christopher: No. Lisa, now!!

Lisa was able to stop time and Maxelle and Iris quickly got Eugene out of prison. They drove off to the Myles's household. When time reverted, Bella got angry with herself for not noticing and tracing Lisa's energy.

Bella: I can't believe this. (screams in fury and frustration.)

Meanwhile at Christopher's location, he and his crew were able to arrive at the Myles's household to help Eugene recover.

Christopher: Is he alright, Avi?

Avi: He is. I'm surprised he was able to sustain those injuries; he's built like a tank.

Eugene: Who are you guys? Demon Hunters?

Christopher: Of course. But don't mind me, I'm just cooperating with them.

Eugene: Thanks, Chris.

Christopher: You're welcome.

Then, Avi knocks him out.

Christopher: What was that for?

Avi: You know the rules on how we operate. Civilians aren't allowed to see what we do.

Christopher: But he's my employer.

Damien: Ok, Avi, that's enough. Now with that out of the way, can we focus on getting to Ogra?

Christopher:

Lisa: Christopher, what's wrong?

Christopher: I have never been so eager to kill a demon like Ogra. I really want to make him suffer for using my big brother as a weapon.

Lisa: Christopher.

Maxelle: I know how you feel, Christopher. You're just playing right into Ogra's hands with that anger; just stay calm.

Christopher: Stay calm?! Catherine's going to be Ogra's sacrificial lamb and you want me to stay calm?! What the hell is wrong with you?!

Lisa: Christopher, please. You're going to have to calm down.

Christopher: (sees that Lisa was becoming intimidated by Christopher's anger.) Alright. So when are we going to attack them?

Maxelle: Have you cooled off yet?

Christopher: Yeah; it seems like I'm going to have to find out a way to breakthrough Ogra's hypnosis on Leo, without hurting him.
