Episode 2: A Raiken is Born
=====

It was 7 AM on Saturday; the Providence Police were in the back alley investigating a murder of a man that was killed by some demons. Enter Wendy, Damien and Avi.

Police officer: What are you three doing here? You're interfering with police business.

Wendy: I understand. I would like to see the deceased man.

Police Officer: For what? Are you guys coroners?

Avi: No. If you don't mind, we would like to see that man and analyze his wound.

Police Officer: OK.

Wendy, Damien and Avi check on the man's wound. They found out that a demon killed him. The police officer was becoming suspicious of those three.

Police Officer: Hey! What are you doing to that man?

Wendy: We were seeing his wound, that's all. It seems like a demon killed him.

Police Officer: How can you be so sure? There's no such things as demons in this world. Get out of here before I arrest you three.

Avi: Ok, we'll leave. Just consider this warning, demons do exist; you're just oblivious and ignorant to understand how God can save people.

The police officer was feeling suspicious of Wendy, Damien and Avi. He lets them go. Meanwhile at Christopher's apartment, he was sleeping. In his dream, he encounters Raiya, the spirit of the Raikens.

Christopher: Who are you? What do you want?

Raiya: Mark my words, Raiken. You are carrying a dangerous power.

Christopher: A Raiken? What's that?

Raiya: That's what power you possess, Christopher Louise Mason.

Christopher: How did you know my name? Can you go into full details on what's a Raiken?

Raiya: It's too complicated for someone like you to understand. In time, you'll learn how to control that power you possess. (leaves.)

Christopher: Wait. You haven't told me how to activate that power. Wait!!

Then, Christopher wakes up.

Christopher: It was just a dream. (he tries to get up but his left shoulder started to hurt.)
Ow. So it wasn't a dream; those two women were demons. How was it possible? I'm quite positive they shouldn't exist. Well, I guess it's over.

Christopher lies down of the bed. He ended up laying on something hard.

Christopher: What was that? (touches someone's hip and quickly got the blanket off the bed. Shocked to see that it was Maxelle.)

Maxelle: Morning, Christopher.

Christopher was stunned to see Maxelle here in his apartment.

Christopher: What the hell are you doing here?

Maxelle: You were under attack by some demons and I rescued you from them.

Christopher: How? Anyway, it doesn't matter. What do you want from me?

Maxelle: Your Raiken powers. There's a lot of demons here in New England wreaking havoc and your powers need to be awakened, if you wish to live.

Christopher: Raiken powers? I'm just a normal human being; I can't generate electricity.

Maxelle: That wasn't the case this morning when you fought against those demons.

Christopher: I was just a coincidence. Now, I'm going to have to ask you to leave.

Maxelle: I'm afraid I can't do that. I was sent here by the leader of the Council of Demon Hunters to observe your Raiken powers. Whether you like it or not, I'm not leaving until you agree to our terms.

Christopher: I don't have to. Here's the door; now get out. (he opens the door and sees that he was pointing into Iris's breasts.)

Iris: That's very rude of you.

Iris kicked him straight to his bed. Before he could get up, Iris pinned him down. He was struggling to break free from her grasp.

Iris: What's the matter? Cat got your tongue?

Christopher:

Iris: I could easily break you in half. You better agree to my master's terms or else.

Christopher: Or else what? Are you going to screw me up if I don't?

Iris: Oh, I got something better than that.

Iris comes closer to Christopher and hugs her, with Christopher's face between her breasts.

Maxelle: Whoa. Try not to hurt him too much, Iris.

Iris: I won't; I'm just teaching him a lesson, that's all.

Then, Christopher's Raiken powers awoke and he used that to blow Iris away from him. He ended up throwing her to his HDTV and it broke.

Christopher: My TV! (gets angry.) That does it!

Iris and Maxelle ready themselves against Christopher's attack. But before he could attack them, someone speaks to Christopher.

???: Christopher, stop.

Christopher: Who the hell are you?

Iris: Lisa, how nice of you to join us.

Christopher: Lisa?!

Lisa: I'm sorry from hiding this form from you.

Christopher: Wow. My cat's a human - - - and naked. (falls out.)

Lisa: Christopher! Oh my god, is he ok?

Iris: He just fainted. I'm quite positive that this man's a Raiken.

Lisa: Who are they?

Maxelle: Raikens possess the power to generate electricity and use that to invigorate their power. It seems like this man uses his Raiken power through anger.

Lisa: It's a problem, isn't it?

Maxelle: Yes. I'm quite positive if you didn't show up, this apartment would have been blown up.

Lisa: What are you going to do now?

Maxelle: Tell Christopher to meet us at the Rockefeller Gym on Monday so that we can help him control and discipline his Raiken powers.

Lisa: Ok. But before you go, do you have any clothes I can wear?

Iris: It's on the bed.

Lisa: Thanks.

Iris: If he declines, you know who to call.

Maxelle: Let's go, Iris.

Maxelle and Iris leave Christopher's apartment. Lisa was becoming concerned about them; but she knew those two were going to do something far worse to Christopher if he declines. An hour passed and Christopher wakes up lying down on Lisa's lap. She has on clothes, but it was her bedtime attire. It was a lavender linen cover up and purple and white striped malliot.

Lisa: Are you alright, master?

Christopher: Yeah. Where's Maxelle and Iris at?

Lisa: They left.

Christopher: I see. It seems like I'm going to miss my friends' graduation and cancel the video game meet again.

Lisa: What are you going to do now? Don't tell me you're going to - - -

Christopher: I have no other choice but to accept their offer. I was under the ropes with Iris; I couldn't break free from her grasp. Not to mention, I got tityfucked by her.

Lisa:

Christopher: I'm sorry for my language. I have to get stronger if I want combat these demons like her.

Lisa: I understand, Christopher.

Christopher: So, do you want to buy some more clothes?

Lisa: Yes.

Christopher: You're going to have to order online. You know how to use the computer?

Lisa: It shouldn't be a problem.

Christopher: Good. Let me know when you're finished.

Christopher calls Koya.

Koya: Hello.

Christopher: Hi, Koya.

Koya: Christopher.

Christopher: It seems like I'm going to have to cancel my visit to Providence University and the video game meet.

Koya: Why?

Christopher: Remember that room Eugene has in Rocky's restaurant; guess what that is.

Koya: An arcade venue?

Christopher: It's a strip club.

Koya: What?! Wow!

Christopher: I know, right? Eugene's definitely enjoying himself. It's almost like he's the Hugh Hefner of New England.

Koya: I wouldn't go too far with that comparison. When is he having that event?

Christopher: Fridays and Saturdays. I'm doing the Friday shift.

Lisa: Ok, Christopher. I'm finished.

Koya: Who was that? You got another girl with you?

Christopher: No, it's just the TV. Anyways, I have to go now. I got a lot of stuff to do this weekend; I'll try to see you next week. Bye-Bye. (turns off the phone.)

Lisa: I'm sorry, master.

Christopher: You have no reason to be. Let's see what you got. (sees that she got some really cheap clothes, especially a lavender colored long-sleeved dress.) You have an odd sense of fashion, Lisa.

Christopher was able to get Lisa's pairs of clothing. It cost him one hundred and thirty dollars. The apparel Lisa chose was somewhat stunning. She bought two minidresses, a sleeveless coat, two striped maillots, at least two long-sleeved dresses and a red scarf. Meanwhile at the Myles's household, Wendy returns from her investigation of the recent killings done by demons.

Wendy: Thanks for the ride.

Damien: No problem. I'm heading to the Council. Do you want me to do anything else?

Wendy: No. Go on and report this to the leader.

Damien: Bye guys.

Damien leaves the Myles's household on his three-wheeled motorcycle. Wendy was feeling curious about those killings. Then, Catherine appears with Wendy's son, Tyler Myles. He was five years old.

Catherine: Wow, you're home early.

Wendy: Hi. Catherine.

Tyler: Mama!

Wendy: I'm glad to see you. How's my little champ doing?

Tyler: I'm fine.

Wendy: That's good for you. Go on into the kitchen so I can make lunch for you.

Tyler: Ok.

Tyler went into the kitchen.

Catherine: You seem in a giddy mood. What were you doing today?

Wendy: Searching for some demons. I'm afraid this city is slowly becoming a safe haven for these demons.

Catherine: (feeling scared.) Were you able to find them?

Wendy: No. A human was killed earlier this morning and another person was almost killed too.

Catherine: Who was it?

Wendy: I have no idea. It looks like it was a Raiken that was almost killed.

Catherine: A Raiken?

Then, Avi appears.

Avi: Wendy, you got a phone call from the Council. It's Ed.

Wendy: Ok. Bring me the phone.

Meanwhile at Christopher's location, Christopher and Lisa head downtown Providence's city limits to find Maxelle and Iris.

Christopher: Do you know where Maxelle and Iris live, Lisa?

Lisa: Not really. They're constantly going to hotels.

Christopher: Damn. I guess I'm going to have to become a giver and give them a place to live.

Lisa: Ok. But aren't you scared of Iris and Maxelle?

Christopher: Of course I am; they're part-time strippers.

Lisa: I see.

Then they hear someone screaming.

Christopher: What was that? It must be coming from the back alley.

Lisa: It's the demons.

Christopher: Can you fight them?

Lisa: Not really; I'm kind of the non-violent type. I only use magic not my fists.

Christopher: Can you use some of your magic to boost my powers?

Lisa: I can do that, but you have five minutes to fight them.

Christopher: Ok.

Lisa boosts Christopher's powers and the demons were able to sense that energy. Christopher was able to defeat three of the five demons, but the other demons focused their attention on Lisa and tried to kill her. Then, out of anger, Christopher's Raiken powers activated and the demons were vanquished by his lightning attack. (Lightning Liberation Wave)

Christopher: Are you alright, Lisa?

Lisa: What was that? Was that your Raiken powers?

Christopher: I guess so. Raiya was right; these Raiken powers are dangerous. Anyway, it's a good thing Maxelle and Iris told me about these Raiken powers; I may end up causing people harm than help.

???: And that's bugging you?

Christopher: Who said that? Come out and show yourself!

It was Wendy and Avi.

Wendy: It's been a long time, Christopher Louise Mason.

Christopher: Wendy? What are you doing here? I thought you were in Delaware.

Wendy: Times have changed. Our leader has a very special interest in your Raiken powers; it seems like your powers aren't better than Leo's.

Christopher: What do you know about my Raiken powers and my brother? If I was in my right mind, I could vaporize you.

Wendy: As if. I'm just warning you to use that Raiken powers only against demons. If you do use them against humans, our faction is going to take action. And I know you wouldn't want that to happen.

Wendy and Avi leave the back alley. Christopher was stunned that his old classmate from Delaware University, Wendy Allen Myles, was a demon hunter.

Lisa: What's wrong, Christopher?

Christopher: Nothing. Let's return home before the police comes here.
