Episode 24: A Torrent Of Problems
=====

The next day after Christopher and Lisa encountered a demon affiliated with Fujino, Christopher wakes up and sees that Lisa was sleeping beside him. He was wondering where he was.

Christopher: Ugh. What happened? Where the hell am I? (sees Lisa asleep.) Come on, Lisa. Please wake up.

Lisa: Christopher. Are you alright?

Christopher: Where am I? We have to get out of here, now.

Lisa: After what just happened to you? This area is filled with demons; we have to stay here for the time being until Maxelle and the others show up.

Christopher: For what? Oh, I forgot about that demon that attacked me. Where am I?

Lisa: Natsuki brought us here to her home.

Christopher: I see; now with them not here, we can leave.

Lisa: Why?

Christopher: Why? You know why. (sees that Lisa was scared.) Nevermind, I'll leave.

But before he opened the door to his room, Natsuki and Natsumi appear to stop him.

Christopher: Hey, who the hell are you guys?

Natsumi: We're demon hunters. It seems like you're not feeling well after what happened yesterday; so just stay put here.

Christopher: I can't do that; even if you guys are demon hunters, I decided to find Fujino and kill that person myself.

Natsuki: You must be a big fool. Clearly, Fujino will kill you without breaking a sweat. So just stay here; we already informed the Council of Demon Hunters in Providence about your situation.

Christopher: You have?

Meanwhile inside Tokyo's city limits, Maxelle and her group arrived to search for Christopher and Lisa. Her group consists of Ruth, Hanna, Koya, Kei, Sal, Kori and Damien.

Damien: Are feeling anything from your rod, Maxelle?

Maxelle: No. I'm sensing demonic energies nearby.

???: Well, well, well. If it isn't the western barbarians. (sees Koya, Sal and Kei.) Oh, it seems like you brought some of our friends over here to die.

Koya: In your dreams. Where's Christopher and Lisa?

???: Who cares about them; all that matters is that you idiots are going to die for defiling Lord Fujino.

Damien: I guess we have no other choice but to fight our way to Christopher and Lisa.

Ruth: I couldn't agree with you more, Damien.

Maxelle and her squad fights off some low-leveled demons. Christopher was able to sense a Raiken energy and he tries to escape the Amakumara household to aid them. But, Natsuki and Natsumi stops him.

Christopher: Get out of the way; they need my help.

Natsumi: We can't do that. Either you can stay here or we're going to have to do the unthinkable to make you understand.

Christopher: Fine. I'll just run right through you.

But before he could do that, both Natsuki and Natsumi used their Suiken powers and punched Christopher's kidneys. He flew all the way towards a wall and he was knocked out. Lisa was shocked to see that attack; it looks like it was similar to Suija's Hydro-Beam.

Lisa: Christopher!! Why did you do that for?

Natsuki: Just to teach him a lesson. Clearly, he's way too stupid to be a demon hunter.

Natsumi: We're sorry if we did hurt him, but it was the only way we could get our point across to him. We didn't use too much force from that attack; only to knock him out.

Lisa: What was that the Hydro-Beam Suija used to attack him?

Natsuki: How were you able to notice?

Lisa: We were able to defeat Suija a week ago.

Natsumi: You have? Wow. Wow!! I can't believe that this idiot was able to defeat Suija.

Lisa: But he didn't do it alone. We were able to aid him.

Natsuki: I expected a lot more from him; well, I guess it can't be helped. Christopher's just too weak to take on Fujino and his minions alone.

Lisa: What are you going to do now? Maxelle knows you're holding us captive; I think you two should tell us about Fujino and your Suiken powers.

Natsumi: We'll tell you about Fujino and what she's capable of; but our Suiken power discussion is off limits.

Lisa: I understand.

Meanwhile in Tokyo's city limits, Ruth was able to sense Christopher's Raiken energy.

Kori: What's wrong, Ruth?

Ruth: I'm sensing Raiken energy.

Damien: Really? Where is it coming from?

Ruth: It's coming from outside Tokyo's city limits.

Kei: It must be Christopher and Lisa.

Maxelle: No, it's not just that. I'm also sensing some formless energies saturating that Raiken energy. Come on; there's not an hour to lose.

Maxelle and her group went outside Tokyo's city limits to search and rescue Christopher and Lisa. They were unaware that Natsuki and Natsumi were expecting them.
