Episode 27: Dealing With The Hamatsus
=====

Hours passed since Christopher and his crew were able to take down the Fujiwaras and their allies. Now, the next morning, Christopher found himself sleeping along with Maxelle, Iris and Kori. He was wondering what happened and why he was in yet another household.

Christopher: Where am I? This place looks strange; why am I in another mansion?

Christopher gets out of bed and heads downstairs to see where he was, but he sees Koga.

Christopher: Where am I? Who are you?

Koga: Why are you asking that question? It should be obvious; you passed out while you and my sister defeated the Fujiwaras.

Christopher: Oh, I forgot. Anyway, we have to find the rest of Fujino's minions and defeat them immediately.

Koga: Not in the condition that you're in. Just stay here and recover.

Christopher: Stay here and recover? Who do you think I am? (sees that Koga was not amused with him.) I'm sorry for offending you, but this is something I can't turn away from. I'm promised Alice that I will defeat Fujino; step aside.

Then, Koya and Kiri appear.

Koya: That's enough, Christopher and Koga.

Christopher: Koya? What are you doing here? What happened to Ruth and the others?

Koya: They returned back to the Amakumara household.

Christopher: Great. Anyway, we're wasting time.

Koga: You have plenty of time to go after Fujino; just take my advice for once. It's for your own good.

Christopher: My good? What do you know about that?!

Christopher tried to rush into Koga but Gouken was able to push him away from him. Gouken is Koga , Koya and Kiri's father.

Gouken: That's enough, Christopher.

Christopher: Who are you guys?

Koya: This is my family; I'm sorry for not telling you about them.

Kiri: It's alright, sis; I guess he had to learn the hard way, as usual.

Christopher:

Then, Akane appears, along with Kori, Maxelle and Iris.

Maxelle: Wow, you're up early, Christopher. What were you doing?

Christopher: Nothing. Just seeing Koya's powerhouses in action.

Koga: Sure you were. I can't believe that this man happens to be Koya's girlfriend.

Koya: Koga.

Christopher: (slightly angered.) Ok, Koga. Try not to contest my anger.

Koga: Do you actually think that I'm scared of your Raiken powers? Try me!

Christopher tried to approach Koga but Koya and Kiri stopped them from fighting.

Kori: Please, Christopher. Now's not the time for you two to be fighting.

Christopher: (calms down.) I'll let this slide for now; I'll stay here and recover.

Hours passed; it was 9 AM. Christopher was feeling annoyed with Koga; he knew that he didn't recover from the White Lightning attack. For some apparent reason, his mind wasn't feeling right after he used that attack. He was afraid that he was going to lose himself if he used that attack again. So, he had to be cautious.

Koya: What's wrong, Christopher? Are you feeling alright?

Christopher: Maybe; I don't know. I got through using my Raiken powers to defeat the Fujiwaras; I'm not sure what powers I used to defeat them. It wasn't my Raiken powers though.

Kiri: What was it?

Christopher: I'm not so sure; all I know is that I lost myself once I used that.

Kiri: Was that the white lightning powers you used?

Christopher: I don't know. What is that power anyway?

Kiri: It's something holy and divine.

Koya: That's what happened to Ruth while we were doing a friendly training a couple of weeks ago.

Kori: Ruth has those powers too?

Koya: Yes, but her lightning was pink.

Christopher: I see; anyway, I have to control it if I want to defeat Fujino. I doubt that I can defeat her as I am right now.

Koya: Christopher.

Then Shiki Matsuhara appears along with her familiar, Toto the Dog.

Kiri: Shiki.

Shiki: Where's Gouken and Akane? We were able to find out where Fujino and her minions are going to attack.

Koya: Where?

Shiki: In Tokyo's city limits. We have to act fast before they do even more damage.

Christopher: I'll help you guys out.

Shiki: Who's this guy?

Christopher: I'm Christopher Mason; I'm a Raiken. I could be of some assistance for you.

Shiki: I see.

Then, Koga appears.

Koga: As if. Have you recovered yet?

Christopher: Yes.

Koga: It sure doesn't look like it. Look, why won't you just stay here until you have fully recovered.

Christopher: And what? Let Tokyo be blown away? I'm sorry if you have doubts about my abilities, but you are really starting to annoy me.

Koga: Oh, I bet you'd say the same thing about you hitting on my sisters.

Christopher: What was that? I told them that I was fine.

Koga: Sure you were; I really don't like insecure people like you. How are you going to defeat Fujino acting like that?

Christopher: I'm not insecure. I'm just getting really fed up with you and your shenanigans, Koga. I'm going to stop them just like I stopped Ogra and Suija.

Koga: Show me, you pitiful excuse of a Raiken.

Koya: Koga.

Christopher: You've been asking for this for a long time.

Christopher and Koga fought each other. It ended in a draw. Christopher was catch his breath after he used some of his Raiken powers to defend himself against Koga's absurdly, hysterical strength.

Gouken: Are you finished fighting against yourselves?

Christopher: Yeah. I'm sorry but I'm not going to allow this to become a hindrance to you or your family. I have to help you out, at least.

Kiri: But you're pushing yourself to hard. This isn't your fight; we're in this together.

Christopher:

Koya: Christopher.

Shiki: Look, as you are right now, you can't defeat Fujino by yourself. We'll be happy to help you out; you're just going to have to trust us.

Christopher: That's all I can do for now.

Meanwhile at Fujino's hideout, Yumi Eto, Fujino's retainer, arrive to tell her about the Fujiwaras' death.

Fujino: Yumi, what are you doing here? Aren't you supposed to be with the Fujiwaras?

Yumi: They're dead; that Raiken killed him.

Fujino: A Raiken? Here in Japan? Who was it?

Yumi: It was two Raikens from the west. Their names are Christopher Mason and Ruth Mason.

Fujino: Masons? Oh, now I know them. Those people are the ones that defeated Ogra and Suija.

???: What are we going to do now, Fujino? Should we attack them head on?

Fujino: No, I would like to see these Raikens in person.

Fujino's the wind demon. She's related to Ogra and Suija. She's just as tall as Christopher is, has long black hair and had a finely tuned body.
