Episode 29: An Unlikely Alliance  
=====

The next day, Christopher woke up at 4 AM. He sees Lisa up beside him.

Christopher: Lisa, what a surprise.

Lisa: Are you alright?

Christopher: For now. I can't believe how powerful Fujino is; I guess that I'm still a weakling compared to her.

Lisa: You have no reason to be upset; you're just not using your Raiken powers at your fullest. I know that you're stronger than this.

Christopher: I'm quite positive that if I use my Raiken powers, Tokyo will be destroyed.

Lisa: Christopher.

Christopher: It's already bad enough that I am a foreigner in this place.

Then, the Amakumaras appear to see how Christopher was feeling. They were in their white one-piece swimsuits.

Natsuki: Are you alright, Christopher?

Christopher: Yes. Why are you dressed like that, you two?

Natsumi: We would like to see your Raiken powers.

Christopher: Are you serious? I just got through fighting off Fujino and you want to see that from me, again?

Natsuki: As you are right now, you're no match for her. So, if you insist, we would like to see how powerful you are now.

Christopher: Alright; just to warn you, my powers are sporadic right now and I hope you don't choke on your decision to challenge me.

Koya: Be careful, Christopher.

Christopher and the Amakumaras head outside so they can fight; Maxelle and the others were watching them.

Christopher: (thinking silently.) They would have to be in their swimsuits; this is really distracting. It's almost as if they are ninjas.

Natsumi: Are you ready, Christopher?

Christopher: Yes. I'll try not to use my Raiken powers against you; my Raiken powers are sporadic right now. (readies his fighting stance.) Come on; let's see what you got.

Christopher and the Amakumaras fight for three minutes. He was forced to use his Raiken powers while they were overpowering Christopher's defense. But for some apparent reason, Christopher's Raiken powers were having no effect on them - it was because of their swimsuits.

Damien: Damn. Something's wrong with Christopher's attacks; they're having no effect on them.

Lisa: Huh? (sees that the Amakumaras' swimsuits were absorbing Christopher's Raiken powers.) They're cheating.

Maxelle: (stops Lisa.) I'm quite positive that Christopher's able to catch onto them.

Lisa: What?

Maxelle: Look at him closely.

The Amakumaras trapped Christopher in the corner. He was able to see that they were absorbing his Raiken powers. Then he generates his Raizan, his Raiken sword, and escapes from the corner. The Amakumaras tried to use their Suiken powers to combat his Raizan, but he cut right through them. The Amakumaras used a forcefield to block Christopher's Raizan but they were blown away by their own attacks.

Lisa: Christopher!!

Christopher and the Amakumaras were fine but they were out of it; the fight ended in a draw. They had to be carried into the house by Koga, Kiri and Koya. Hours passed since they fought, Christopher came to the realization that his Raiken powers needed some improvement.

Lisa: Christopher, you're awake. Thank God.

Christopher: Where's the Amakumaras? Are they alright?

Lisa: Yes. I was able to heal them.

Christopher: I see. I'm really starting to like the Amakumaras; for the first time, I was finally able to understand how strong I need to be.

Then, the Amakumaras and the Hamatsus appear to see Christopher. The Amakumaras were in their normal clothes.

Christopher: I'm sorry for doing that to you two.

Natsumi: It's fine; so, are you ready to fight against Fujino's minions? We were able to track Ryoko and Hyo in Tokyo's city limits.

Christopher: (thinking silently.) Guess I have no other choice but to face them. (speaks.) Alright; have you told my crew about this?

Koya: Yes, we did.

Christopher: Let's go then. We wouldn't want to keep Fujino waiting.
