

=====
Episode 34: A Time For Revenge
=====

Christopher along with Maxelle, Koya, Iris, Lisa and Kori headed over to Salaam's Prime Butchery. Both Abdul and Jasmine had to be carried off on a stretcher to the hospital. As you can see, Christopher was concerned about Allison's well-being. He was trying to see if she was alright, but a police officer stops him from entering.

Police Officer: I'm sorry; you cannot enter.

Christopher: I just need to see if Allison's ok; please, let me through.

Police Officer: I'm sorry; you cannot enter. I'm going to have to ask you to leave before I arrest you.

Then, Hilda appears.

Hilda: That's enough. Go on ahead and let him in.

Police Officer: Hilda, what are you doing here? Aren't you supposed to be checking out on the leads of who would attack the Salaams?

Hilda: We found nothing. Perhaps, Christopher may know something about who did this.

Christopher: Yeah, do any of you know Gabriel Grayson? I think he's the one that did this.

Police Officer: Gabriel Grayson?! He was my classmate in Providence University; he's a really shady guy. I didn't know he was capable of invoking racism in this little island.

Koya: I don't blame you; other than that, can you let us through?

Hilda: Sure. Try not to tamper with any evidence in the store.

Christopher: We won't. Come on; let's go inside.

Christopher and the others head inside to see if Allison was ok. As you can see, Christopher was surprised to see that she was unscathed.

Allison: Christopher?

Christopher: Sorry for what happened to the Salaams; who did this to you?

Allison: It was a supremacist; I have no idea what his name was.

Kori: Was it Gabriel Grayson?

Allison: Yes.

Christopher: That's all I needed to know. Come on, guys; let's go get them.

Maxelle: Are you sure you want to go up there? These are white supremacists we're dealing with here.

Christopher: And that's supposed to faze me? In case you forgot I'm black and white; I'm not color-blind, they are and they need to be dealt with immediately.

Maxelle: Christopher; don't underestimate them.

Christopher: Ok, fine then.

Hours passed. As you can see, Christopher was becoming impatient with Maxelle and the others. He knew he had to do something to avenge the Salaams; the police was still looking into the matter.

Christopher: What the hell's taking them so long? I've been sitting here for the past two hours and they can't find anything about Gabriel Grayson?!

Allison: Christopher, just relax. I'm sure they'll come up with something.

Christopher: Sure, they will. (sees that the search was progressing slowly. he gets up and heads to his car.)

Allison: Where are you going?

Christopher: Home; I knew this was going to be a waste of time.

Allison: Are you sure, you're going home?

Christopher: Yes. I'll see you, tomorrow.

Allison was seeing him go into his car without Maxelle and the others.

Allison: Wait, Christopher. Wait!!

Christopher drove off to find Gabriel Grayson. Maxelle and the others were too late.

Kori: That idiot! I can't believe this guy!!

Lisa: Go after him while I inform the Council about this. There's no time.

Maxelle: I know. Let's aid him before he gets killed by those demons.

Christopher was able to make it to an abandoned plant; he senses some demonic energies nearby.

Christopher: (thinking silently.) This must be the supremacist's hideout. Stupid police officers; I swear, I can't trust these fucking pigs. All I need to do is find Gabriel and kill him before any other minorities will suffer even more. What good is the police when this white trash like them keep doing what they're doing?

Then, the guard sees Christopher.

Supremacist Guard: Hey, coon; you're trespassing on private property. Leave!!

Christopher: Where's Gabriel? He's going to pay for what he did to the Salaams and Allison. Step aside if you don't want me to erase you, demon!! NOW!!!

Gabriel heard that noise.

Gabriel: Oh? Company?

Supremacist Member #1: It's that Raiken, boss. What are we going to do?

Gabriel: Stave him off.

Supremacist Member #1: Ok. Let's go get him.

The supremacist members go outside to aid the guard and Christopher was able to defeat them all with his Raizan - the Raiken sword formed from his Raiken powers. After he was able to beat them, he goes inside to meet Gabriel and kill him.

Gabriel: Well, isn't this a surprise. I wasn't expecting a coon here to die.

Christopher: It's over, Gabriel. What you are trying to establish here will not work; I suggest you leave this place at once. It's for your own good.

Gabriel: My good? (laughs.) Don't make me laugh, coon. You being a Raiken is extremely laughable. You're the one who needs to leave.

Christopher: Fine, I'll just vanquish you then.

Gabriel: Try me, coon!!

Christopher and Gabriel fight. Meanwhile, Maxelle and the others were able to make it to the abandoned factory only to see dead bodies of demons.

Kori: I guess I was wrong to call him an idiot. So are able to find him, Maxelle?

Maxelle: Yes, he's in there fighting against Gabriel. Let's aid him.

Christopher was slowly gaining an advantage over Gabriel. Then Gabriel threw sand in his eyes to impair his vision and he has Christopher in a stranglehold. He was struggling to break free from Gabriel's hold.

Gabriel: You should have just left us alone, coon. Now, I'm going to send you to hell where you belong.

Kori: Let him go.

Gabriel: Oh, great his friends are here. Too bad, sweetie. Your knight in shining armor is going to die and there's nothing you can do about it.

Christopher: Stay back, Kori.

Maxelle was sensing White Lightning energy surrounding Christopher.

Maxelle: No, Christopher. Don't!

It was too late; Christopher was able to release his White Lightning energy and electrocute Gabriel and broke free from his grasp. Then he forms a new Raiken sword from that White Lightning energy and cuts Gabriel into a million pieces. Christopher was losing control over himself and he falls out after using his White Lightning powers.

Kori: Is he alright, Maxelle?

Maxelle: (comes close to him and checks his heartbeat.) He's alive; let's go on ahead and take him back to the apartment for healing.

So Maxelle and the others brought Christopher back to the apartment so that Lisa can heal her. The next day, Christopher woke up with Lisa, Maxelle, Iris, Kori and Koya

beside him. He sees Ruth training his Raiken powers along with Hanna and decides to go back to sleep.

Christopher: I'm not feeling right to be up this early; mine's well.

Hours passed. Christopher went to the hospital to see if the Salaams are okay.

Receptionist: How may I help you today?

Christopher: I need to see the Salaams. Are they ok?

Receptionist: Yes. I just received word that they are in stable condition.

Christopher: Thank you.

Receptionist: Would you like to see them?

Christopher: Yes.

Therefore, Christopher came to see the Salaams.

Abdul: Christopher, what are you doing here?

Christopher: I was able to get the people who injured you; I'm terribly sorry for not being there for you when those supremacists attacked you and your daughter.

Jasmine: It's alright. Thank you for caring about us.

Christopher: No problem. So how long are you going to stay here?

Abdul: A week. I guess you're going to have to buy meats from the grocery store until we recover.

Christopher: Fine by me.

Christopher leaves the hospital and was happy that the Salaams were recovering finely.
