

=====  
Episode 36: Meeting The Fire Demon  
=====

After beating up some minor demons affiliated with Enryu, the fire demon, Christopher sees Allison.

Christopher: Allison? What are you doing here?

Allison: We need to talk.

Christopher: What is it? Is it about the Salaams?

Allison: I need your help.

Lisa: With what?

Allison: I need some protection from these demons.

Christopher: I see; I'll accept your offer, Allison.

Lisa: What?! Like that, Christopher?! Can't you see that we are in the middle of seeking and destroying Enryu?! I'm sorry, Allison; you're going to have to find somebody else.

Christopher: I SAID I ACCEPT YOUR OFFER, ALLISON!! (getting mad at Lisa.)

Hanna: Ok, Christopher; you need to chill out.

Christopher: Lisa, come with me to my room.

Christopher grabbed Lisa's hand and took her to his bedroom. As you can see, Christopher was mad at her for what she said to Allison.

Christopher: What the hell was that, Lisa? I can't believe what you just said to her; why would you do that? Do you realize the situation she's in?

Lisa: I'm sorry; you know that her unborn child is going to be a distraction to you in defeating Enryu.

Christopher: It isn't. Lisa, I should just pummel you for even thinking like that. You should be lucky that you're a woman; if you were a man, I should beat the fuck out of your ass for even thinking like that.

Lisa: . . . . .

Christopher: Lisa, I suggest you work with me; you are my familiar, after all? Aren't you?

Lisa: I understand. I'm sorry for even doubting you.

Christopher: Thank you.

After accepting Allison's offer, he, Allison and his crew, consisting of Ruth, Maxelle, Koya, Lisa, Hanna, Kori, Derek and Andre, went to the Council to see Alice and ask about the whereabouts of Enryu.

Alice: Well, hello, Allison. What a surprise; I wasn't expecting you here.

Christopher: I'm sorry to keep you waiting. Where's Enryu at?

Alice: Enryu? I see you want to challenge him alone, do you? Just focus on targeting his major minions; you're making a big mistake going after him alone.

Christopher: Why?! I'm powerful to combat him; just give me a chance, Ms. Smith.

Alice: I'm sorry to hear that from you. Just listen; his anger is something you never want to see from him. Some of our demon hunters were killed trying to face him; we had teams of demon hunters combat against him and it wasn't enough.

Allison: My husband was killed by him, wasn't he?

Alice: I'm sorry for not telling you about his death earlier; I wish I could bring him back from the dead, but things happen.

Allison: It's alright; that's the main reason why Christopher's going to protect me and my daughter. I know that he's capable of defeating him; my husband was a great demon hunter.

Christopher: Thanks, Allison. (thinking silently.) Lisa should be saying the same things about me but I guess she's becoming scared of Allison. (speaks.) I have to find some more low-leveled demons in Providence.

Lisa: What? No, you have to remain here.

Christopher: I have to combat these demons; I can't stay here and wait for them to ravage Providence.

Alice: Alright; if you do see Enryu, run away and do not fight against him.

Christopher: Can't you fight against him, Ms. Smith?

Alice: No, not as I am right now.

Christopher: Ok; anybody wants to come along with me to hunt some demons?

Mina: I'll go.

Ruth: I'll go.

Koya: I'll go

Kori: I'll go.

Lisa: I'll go.

Christopher: Lisa, stay here and keep an eye on Allison.

Lisa: Why don't you want me to go along with you?

Christopher: I have my reasons.

Lisa: And what reason is that? Let me go with you.

Christopher: I'm sorry; I already got two magic users on my team to combat them; so just follow my instructions.

Lisa: Ok, fine then.

Christopher and his crew, consisting of Mina, Ruth, Koya and Kori, drove off into Providence's city limits to search for Enryu's minions. As you can see, Lisa was getting mad at Christopher for leaving her like that. Meanwhile, Christopher and his crew were searching for Enryu's minions.

Mina: Are you able to trace their energies nearby?

Christopher: Not at the moment. Let's keep searching for them.

Christopher and his crew searched for them outside Providence's city limits and found them. Christopher and his crew were able to defeat them. But Christopher felt an abnormal energy surge coming from behind. It was Enryu, the Fire Demon. Christopher was feeling a bit scared of him.

Enryu: Well, isn't this a surprise. A Raiken trespassing in my territory.

Christopher: It's not yours to begin with. I suggest you leave this place immediately.

Enryu: Why are you shaking? You have some nerve to talk to me in that manner, Raiken.

Ruth: (sees that Christopher was scared.) Christopher, let's go already. We're no match for Enryu.

Christopher: No, I'll take him on; I'll catch up with you guys. (throws Ruth the keys to his car.) Get out of here.

Koya: Christopher, please.

Christopher: Just go. (releases his Raiken aura.)

Kori: Come on, Koya.

Koya and the others drove back to the Council while Christopher fought against Enryu. As you can see, Christopher's Raiken powers were having no effect on Enryu. He knew he had to activate his White Lightning powers but he was scared that he was going lose himself - like he did against Gabriel. Enryu was coming after Christopher like a wrecking ball; Christopher was dodging his attacks. Luckily, he was able to escape critical hits and fatal knockouts from Enryu.

Enryu: What's the matter, Raiken? Do you feel scared yet?

Christopher: No!! I'm going to kill you; whether you like it or not, YOU'RE FUCKING DEAD!!!!

Christopher rushes at him but Enryu punched him in the stomach and kicked him in the face. Christopher tries to unleash his White Lightning powers but he was too weak to activate it; he was forced to retreat.

Enryu: What a joke; and this is the guy that was able to defeat my brother, Ogra?

Then, Olivia Kingsley, Raphael's sister, appears.

Olivia: Why didn't you go after him?

Enryu: Don't worry; he'll come back to face me. Go on ahead, inform Luther about Allison's unborn child, and kill her and Christopher.

Olivia: I understand, Lord Enryu.
