Episode 40: Christopher's Recovery From Fate  
=====

After fleeing from Enryu and his minions, Christopher had to be healed by Avi, Lisa, Irene, Koya and Christina. Then, Alice appears to see if Christopher was alright.

Alice: How is he?

Christina: It could have been a lot worse; we were able to heal him.

Then, Koya and Kori appear to see if Christopher was alright.

Koya: Oh my god. Christopher!!

Avi: Stay back. We were able to stop his seizure, but we have to heal him completely.

Kori: Normally, he should be up by now. Is there something wrong?

Irene: I don't know. (she senses an abnormal presence inside Christopher's heart.) Oh no.

Alice: What's wrong, Irene?

Irene: I think Christopher is in a coma; Olivia must have used her dreamscape magic to put him under a comatose.

Alice: . . . . . (getting mad.)

Tiffany: Alice. What are we going to do?

Alice: It seems like we're going to have to beat Olivia at her own game. So who wants to sleep with Christopher?

Meanwhile in Christopher's dream, he was wondering why he was feeling so weak on his feet. It was almost as if he was floating in air.

Christopher: Where am I? How the hell did I get here?

???: Chris.

Christopher: Who's there? (senses an unearthly presence.) Ok, if this is a game you're playing, I'm not interested in it. Come on out and show yourself, you coward.

???: You're the one that's a coward. You ran away from Lord Enryu twice; it's amazing how much of a bitch you really are. But I was expecting you to be more of a pussy; I didn't know you like cats.

Christopher: Who are you? Are you affiliated with Enryu?

Then she appears behind Christopher. It was Olivia Kingsley, a female servant of Enryu. She was wearing a one-piece swimsuit to distract Christopher.

Christopher: It's you.

Olivia: It seems like you remember me; it seems like I'm going to have to kill you now for what you did to my brother.

Christopher: Who? Raphael? (sees that she was Raphael's little sister.)

Olivia: But before I kill you, tell me something. Why do you hate my lord and my brother?

Christopher: It should be obvious; demons don't need to be in this world. I'm just fulfilling my obligation, that's all.

???: That's stupid of you, my son.

Christopher: Who said that? (he was able to dodge a knife being thrown at his direction; it missed the right side of his neck. he sees that it was Olivia Howell and she was wearing a one-piece swimsuit.) Mom? What are you doing here?!

Olivia H: I'm here to kill you - just like you killed me back in Delaware.

Christopher: I didn't kill you; I just knocked you out.

Olivia: What's the matter? Why are you acting like a bitch, Chris?

Christopher: I'm not. You're the one that's a coward, Olivia; I can't believe that you're using my mother as a shield. (generates a Raizan.) I'm going to kill you for even doing that to me.

Olivia: Bring it on!

Christopher was able to fight against the Olivias; he was struggling within himself not to kill Olivia Howell. This was making him even angrier with Olivia Kingsley. Olivia Howell was about to deliver a fatal blow to Christopher until Maxelle was able to use her power

pole to knock back Olivia Howell away from Christopher; then, Kori used her ice magic to freeze her.

Christopher: What are you guys doing here?

Maxelle: We're here to help you out in defeating Olivia Kingsley. She's using her dreamcast magic.

Christopher: Dreamcast? Damn, I didn't know that type of magic existed. Anyway, thanks.

Olivia: Damn you, Chris. You got lucky this time; but don't worry, I'll be back to get you again. (she leaves.)

Then the dreamcast was uplifted and Christopher woke up; it was 6 AM - the next day. He sees Maxelle, Iris, Koya and Kori sleeping beside him. He decides to go back to sleep and recover from his ailments from using his White Lightning powers. Hours passed; it was 10 AM. At Enryu's hideout, Olivia was getting mad at herself for allowing Christopher to get to her like that.

Enryu: What's wrong?

Olivia: I guess I underestimated them, my lord. Sometimes I just don't understand Christopher at all; he has all that power and glory and he still has people supporting him.

Ed: And that's bugging you? Come on now, Olivia; you almost had him. Let me have a piece of him, because he and his crew are coming over here to face Enryu. Isn't that right, my lord?

Enryu: I guess so; just go on ahead and keep them busy. I'll be waiting on them to get past you. (sees that Olivia and Ed were too weak for them to take on Christopher and his crew. Thinking silently.) Fools; they're just playing right into their hands. I guess I'll just have to exterminate them all by myself.
