

=====
Episode 9: Catherine Gets Captured
=====

The next day after Christopher got demoted from being a team leader to a member of Catherine's group, he arrived to work early at 10 AM to begin his new role at work. As you can see, he was becoming slightly annoyed with his new role.

Christopher: (thinking silently.) I wonder where's the new leader? I guess I'm going to see what Eugene's doing with those strippers.

But before he could enter Eugene's office, the new team leader, Raphael Kingsley, appears behind him.

Raphael: What do you think you're doing here?

Christopher: Just minding my own business.

Raphael: Are you sure you didn't do anything else?

Christopher: No. I just wanted to speak to Eugene.

Raphael: Sure you were. Anyway, do you mind cleaning up the girls' bathroom for me? Someone had an accident in there.

Christopher: What? What in the hell would I want to do that for you? Isn't that supposed to be Todd and Jimmy's job?

Raphael: It was their job. They assigned new roles when I became leader. Is there a problem?

Christopher: I'm sorry; that goes against my honor code.

Raphael: What honor code? I'm the leader; so why won't you just man up and do what I tell you to do!! (sees that Christopher was getting mad at him.) Fine, I'll tell Eugene that we're having issues.

Christopher: Ok. I'll do it.

Christopher without any hesitation entered the girls' bathroom to clean up that mess. Unlucky for him, Sophie was in there.

Christopher: Sophie. Oh, I'm terribly sorry.

Sophie: Christopher, what are you doing in here?

Christopher: The new team leader's a dick. He had me clean up this mess in the bathroom; did you make this mess?

Sophie: No. Get out, now!!

Christopher: But Sophie, I have to clean this stuff up.

Sophie kicked him out of the bathroom and Raphael was laughing at him.

Catherine: What's so funny, Mr. Kingsley?

Raphael: Nothing. It's seems like this fucking newbie has something against me.

Catherine: However, I don't blame you. Are you hazing Christopher?

Raphael: No, I'm giving him a reminder on who's boss around here.

Catherine: Hey, you do realize that Eugene's the real boss here and you are a member of my team. I can easily report this incident to him and have you fired immediately.

Raphael: You wouldn't even dare.

Catherine: Keep on doing what you're doing. If I find out that you're mistreating our workers, I'll tell Eugene. Come with me, Christopher. (leaves along with Christopher.)

Raphael: Hey, I'm not finished with that asshole. Come on, Catherine; I can't believe how much of a pussy you are.

Sophie: Ok, Raphael. You need to calm down; I go on ahead and get some food ready for our customers.

Raphael: Fine. I'm just doing what Eugene said I could do.

Sophie: But you're doing too much; Christopher wouldn't do those same things you are doing.

Raphael: How can you be so sure of yourself over your former leader? FYI, I'm ten times better than that asshole.

Sophie:

Raphael: Do you have anything else to say? If you don't, why won't you just stand there and look pretty, bitch. (laughs and leaves.)

Sophie was looking at him in a strange way. She senses demonic energy flowing from Raphael Kingsley. At Eugene's office, Christopher and Catherine were searching for Bella and Mary's applications. They were trying to find out where they live in Providence; unfortunately, their applications were gone.

Christopher: I don't see them anywhere; I'm guessing Raphael took them.

Catherine: Look at his application instead.

Christopher was able to get Raphael's application and was shocked to see where he lives - Raphael lives outside Providence's city limits. An hour passed, once again, Raphael was hazing Billy and Jimmy. Eugene saw that from Raphael.

Eugene: Raphael, what are you doing to my workers?

Raphael: Nothing. I caught them doing the unusual and I had to rectify them.

Eugene: Come to my office; we need to talk about something on how we do things around here.

Raphael heads to Eugene's office. As you can see, he was not impressed with what Raphael Kingsley was doing to his employees.

Raphael: What's wrong, Eugene? Don't you like what I'm doing here?

Eugene: No, I don't. I have been receiving complaints from my employees on how you're disciplining them.

Raphael: And that's bugging you? Come on, Eugene; I bet your former team leader would have done the same thing if he was in my shoes.

Eugene: I see. But I think you're going too far with what you are doing; these are adults not teenagers you're dealing with. If you're trying to impose your will upon them and injure them due to your strict discipline, I'm going to have to find someone else.

Raphael: You wouldn't want to do that if I were you. I'm just setting the standards on how "I" do things around here. (leaves.)

Eugene was angry with Raphael Kingsley. At 6:30 PM, Christopher got off work and headed back to his apartment to inform Maxelle and Iris on where Ogra was hiding.

Lisa: You're home early.

Christopher: Where's Maxelle and Iris? I was able to find Ogra's hideout. It's outside Providence's city limits.

Lisa: They're at the gym along with Sophie; they should be coming home shortly.

Christopher: Ok. When they come back, we have to go to the Myles's household to inform Wendy and the other members of the Council about Ogra, immediately.

At the restaurant, some police officers arrived with a warrant for Eugene O'Hara's arrest. Cedric sees them.

Cedric: What's going on here?

Police Officer #1: Where's Eugene O'Hara at?

Cedric: Why do you want him for?

Police Officer #2: We have a warrant out for his arrest. You can do this the easy way or the hard way.

Then, Catherine appears.

Catherine: Police? Why are you guys here?

The second police officer was becoming impatient with them and ran right through Catherine and the police officer enters Eugene's office. Lucky for him, there wasn't any women in his office.

Eugene: Hey, what's going on?

Police Officer #2: Are you Eugene O'Hara?

Eugene: Yes, I am.

Police Officer #1: We have a warrant for your arrest.

Eugene: For what?

Police Officer #1: Engaging a minor in sexual activity. I'm afraid that woman's name is Mary Halvertson; she was under the age of 21.

Eugene: What?!! Who told you that? She's 21 years old.

Police Officer #2: Where's her application?

Eugene:

Police Officer #2: Ok, cuff him up.

Catherine: You can't do that.

Police Officer #2: Stay back. Eugene Andrew O'Hara, you are under arrest for engaging a minor in sexual activity. You have the right to remain silent; anything you say will be used against you. You also have a right to an attorney

Eugene: Get Chris here, immediately.

Eugene was carried out of his restaurant and into the police car. Just when Catherine was about to call Christopher, she was attacked from behind by Raphael Kingsley. Two D-Level demons appear alongside Raphael to bring her into the utility van from the back of the house. Christopher was feeling a little concerned about Catherine due to Raphael Kingsley.

Lisa: What's wrong?

Christopher: It's Catherine. I'm quite positive that Raphael's giving her and Eugene a hard time; I'll go on ahead and call her.

Christopher calls Catherine. One of the demons picked it up.

Christopher: Catherine, are you alright?

Demon #2: Who is this Catherine?

Demon #1: That's the girl we caught, you idiot.

Christopher: By who? Raphael?

Demon #1: How were you able to notice?

Raphael: Give me the phone, you idiots. (speaks to Christopher on Catherine's cell phone.) Look, I just got through dealing with the owner of your house filled with sluts.

Christopher: Raphael, this is between you and me. Let Catherine go right now.

Raphael: Why would I want to do that? She'll definitely be a great sacrifice to Lord Ogra; what do you say?

Christopher: Look; if anything happens to her, I'm going to kill you, you motherfucker.

Raphael: I'm pretending I didn't hear that. Have a nice life, Chris.

Christopher: You better not hang this phone up, Raphael. (Raphael hangs up the phone.) Raphael!!

Lisa: What are we going to do now?

Christopher: We have to get to Maxelle and Iris immediately. If not, Catherine's going to die.
