

Chapter 11: Feeling Invincible

After the battle was over, Maiya and the others rescued Nathan and Akira. The next day, Utan's arm was fully recovered. He goes downstairs to see what they were doing. Then, he sees Arcueid and apologizes to her.

Utan: I'm sorry about what happened to you the other day. (Arcueid punched him in the nose.)

Komane: Utan!!

Utan: It's alright, I deserved that. (his nose was bleeding. He goes outside and sits on the bench.)

Utan was completely upset for not being there when Sakura used that attack. Sakura being beaten up by Duodon emotionally hurt him. He was glad he didn't have to kill him. Then, Shirou appears in his soul containment unit.

Shirou: Utan, your nose.

Utan: It's alright; I'm a hockey player. So, is Sakura alright?

Shirou: Yes, she is.

Utan: I thought so. Duodon wasn't going to damage her that badly.

Shirou: She was hurt inside.

Utan: I was afraid that Sakura was going to use that attack versus Duodon. That son of a bitch had it coming to him; excuse my language. She may use that attack against us if we're not careful.

Shirou: No, she's stronger than that. She won't be consumed by that power anymore.

Utan: Do you think so? I have doubts about her; she's done some things that happened six months ago that she was going to do to the Geminis. I wasn't scared of her or anything; I was afraid that I had to kill her to ensure the world's safety for what she had in her, and she was afraid that she was going to destroy me with that dark power she has within her. Nevertheless, we were able to overcome that fear, thanks to you. I could have done more to ensure your safety.

Shirou: Utan, I'm sorry. We can't undo the past.

Utan: I'm upset that you - - I wish I can undo the past, but you're right. I must learn how to accept it.

Utan decides to go out into the city so he can get some breathing room from Arcueid. He was upset for attacking Arcueid for her attitude, yesterday. Then, he sees his father.

Utan: Father? (his father saw him and ran away. He goes after him.) Hey, wait!!

He accidentally runs over someone. It had to be him. (Souren Araya)

Utan: I'm sorry about that. (he runs after Idris.) Wait up! Father!!!

Idris disappeared.

Utan: I lost him. (someone throws a fireball at him. He was able to knock it away from him.) Who's there? Aoko? (she fires another one and he kicks it straight to her.)

Aoko: Utan?

Utan: Who were you expecting? Are you the person that's behind the tatari's operations here?

Aoko: Maybe.

Utan: Ok, I'll just have to kill you and bring the others here to pick up your remaining corpse.

Aoko: I'm afraid that won't be necessary.

Utan: Why not?

Aoko: You see these cameras? Idris was able to create these to mask our aura; no one will even notice we're even here.

Utan: So, it was you who used the camera to mask my aura during my fight against Chaos.

Aoko: Yes.

Utan: Hmm, fair enough; you picked the wrong person to fight against. I know the other Len is here as well. Thanks to you, I was able to use some major attacks against your tatari spawns. You won't be disappointed see this.

Aoko: Why should I be impressed?

Utan gets out his monoshizao and uses the Kuuga. It missed her by a couple of feet.

Utan: That's why.

Aoko: Huh? You want to fight against me?

Utan: Yes. Let me handicap myself to your level. (puts up his monoshizao.)

Aoko: Aw, come on. You just made this fight boring. You're no fun.

Utan: I'm no fun? Thanks to what you and your guinea pig just did, my summer is definitely screwed up. (smiles at them.) Hopefully, I can return the favor.

Aoko: I'd like to see you try that.

Utan was becoming angered by her attitude. Utan waited to 10 seconds to see if she was going to attack first.

Utan: (thinking silently.) I'm guessing she's already chicken to fight against me. (speaks.) Are you not going to attack me? Come on, I'm giving you an advantage.

Utan was angered by Aoko's attitude. He and Aoko fight.

Neither Utan nor Aoko was gaining an advantage. After a minute, Utan was able to get a clean hit on her as he dodged her attack. Utan used his right hand as a hammer and injures Aoko's left hip.

Utan: I suggest you give up while you have the chance. I'll break every bone in your body if you wish to continue.

Aoko: You actually think that's going to stop me?

Utan: (sees that her left hip was regenerating.) That's impossible. I gave you a clean hit. (she was able to fix her hip.)

Aoko: That felt good. You're going to have to do better than that.

Utan: (surprised.) I was just testing you. It seems like YOU'RE going to have to do better than that.

Even after Utan's attack, Aoko was still calm. He was becoming angered by her attitude and his energy was increasing. She felt that surge from him. He was trying to blow up the cameras to unmask their aura.

Aoko: What's this?

Utan generates a red wave. Aoko was able to dodge it. (Akitsuuga)

Aoko: Ha, missed me.

Utan: I wouldn't be too sure of that.

Aoko's shirt was torn up by that attack.

Utan: I'm guessing I must have struck a nerve. (laughs at her.)

Aoko: (smiles at him.) I can deal with a draw.

Utan: What? (became angry.) No, you've lost!! I'll - - -

Utan sees himself surrounded by a bunch of fireballs. (Hellzone Starmines)

Utan: (thinking silently.) How was she able to generate that amount energy that quickly to create this?

Aoko: This fight was over the moment you saw me. Now, I have you within my grasp.

Aoko closes her hand and the fireballs were released. After the attack was over, Utan was still standing.

Aoko: Huh? You were able to survive that?

Utan was out but he was still standing with steam coming from his body by Aoko's fireballs.

Aoko: We didn't win; most importantly, we didn't lose. Keep up the good work, Utan. (pats him on the back and leaves.)

Utan: (Aoko mispronounced his name.) It's Utan. (falls out.)

He was lucky to see her. Due to his abilities inherited from the gauntlet, he used Aoko's luck against her. But he couldn't make that attribute permanent. A few minutes passed, he woke and saw Arcueid, Sion, Len, Maiya and Satsuki. Utan screamed when he saw Arcueid.

Utan: What - - - What are you guys doing here? (gets up.)

Satsuki: Are you alright?

Utan: I'm fine. (thinking silently.) That attack. Michaelis uses the same attack as her. She was able to generate a multitude of those fireballs quickly without shooting me. Not only that, I could have sworn that Idris was killed the last time I fought against him. There's no telling what the tatari would pull out.

Maiya: Utan!!

Utan: Oh, sorry.

Satsuki: Are you sure, you're alright?

Utan: I told you, I'm fine. Let's go home. (thinking silently.) Some day this is.

Sion knew that Utan was hiding something from them. When he returned home, he went into his room and tried to rest, until he hears someone knocking on the door.

Utan: Come in. (he sees it was Sion.) Sion?

Sion: So, what happened?

Utan: Nothing. Please, go away.

Sion: Not so fast, you can't hide anything from me. So, I suggest you tell me what happened.

Utan: (he didn't want Sion to know that Aoko and W-Len was involved with the uprising of Warakia. But he couldn't come up with a good excuse due to the etherlite.) I told you nothing happened.

Sion: You fought against Aoko and W-Len, didn't you?

Utan: Yes, I did.

Sion: (was becoming angered.) Why didn't you kill them? Do you realize whom they're planning to release?

Utan: Zepia. I know he's a threat, but I'm not going to allow you to exploit those two in the process.

Sion: Aoko and Len? Why - - -

Utan: Her older sister wants to kill her; I'm not going to allow that to happen. I want this conversation we just had to remain here. (looks at her grimly.) Do you understand?

Sion: Yes, I understand. (leaves his room.)

Utan was becoming suspicious of Sion. He ignores her and sees the progress on Kohaku's secret weapon on his handheld device (Mech-Hisui Omega) it was 95% complete. He was surprised to see that it was almost complete; it was at 70% when he last analyzed it. After he went to rest for an hour, he goes downstairs to go get his can of Sprite. One was remaining.

Utan: (was upset and sees that it was Maiya, Komane, Ivan, and Kohaku who got the 7 cans of Sprite.) Better than nothing, I presume. (Then, he sits on the sofa and sees what's on television.)

Hisui: Is everything alright, sir?

Utan: No. My summer is scarred thanks to those idiots. What is today, Hisui?

Hisui: June 22.

Utan: Great. The tatari just had to show up at this time.

Hisui: Why are you so upset?

Utan: I hate summers; it feels like it's like a bad luck charm.

Hisui leaves.

Utan: Hisu - - - now where is she? Man, this place is too silent. (becoming concerned about the others. He opens the door; but he was surprised to see Arcueid, Akiha, and Ciel.) There you are. (then, he senses the tatari within them.) Haha, wow!

Utan closes the door and quickly heads into his room to get his monoshizao. But before he could go outside Satsuki grabs him.

Utan: Hey, get off me. (she was just about to drink his blood, he threw her off of him and kicks her out the window.) It must be the tatari spawns. (thinking about Hisui.) I'm sure she's safe. Now, to take care of them.

Utan heads outside to defeat the tatari spawns. He uses the airwaves to destroy the tatari spawns. (Senryu Zankuu Geki) He was able to defeat them all. Utan heads back into the house to see if Kohaku was in the boiler room. Her door was shut.

Utan: I wonder where everyone is.

He forgot it was time to introduce the defensive side of football his volunteer work. He heads up there only to see the facility damaged. The roof was destroyed.

Komane: Utan?

Utan: What happened here? Who did this?!

Komane: I don't know.

Utan: What do you mean you don't know? This place was supposed to be a safe haven. You had better know who did this, otherwise - - - (he saw Haruki. He was becoming upset at Komane.) I'm sorry.

Marty: (sees Utan.) Well hello there, Utan Enhada.

Utan was mildly surprised to see Commander Ugoh.

Utan: Martellus Lee Ugoh. I wonder why I'm not surprised to see you here. What do you think you're doing?

Marty: I made it just in time. It seems like someone blew the roof off your facility; I was wondering if I could repair it for you?

Utan: Still healing old wounds? Sorry; we created this place for the people in this area, not for your liking. They aren't going to receive that from you.

Marty: And what do the people want from you that I couldn't offer them?

Utan: Safety - - - trust - - - security. So that some of the people here won't be scared to come here and call this place "no man's land". Instead, you had to show up here with your men and attack these people.

Marty: Me? I just got here and you're already accusing me of taking that away from them? There's no room for error, but these people here still knew what you just did six months - - -

Utan: That's all in the past.

Marty: So. You decided to come here for redemption for what you've done to me; what's your point?

Utan: None. (comes to him.) The line has been drawn between us, Ugoh. (he drew a line between himself and Ugoh.)

Marty: A thin line, huh? Quit teasing me; is this the best warning you can come up with?

Utan: No, I have many warnings I like to give; but, it's fair for everyone else here to see.

Marty: Fair? (becomes angered.) Fair?!! (kicks some dirt on Utan.) A thin line can be a difference between life and death; quit shitting me with what's fair and give me a good warning.

Utan didn't even look at him. Ugoh was becoming angry at him.

Marty: Hey, I'm talking to you, idiot!!

Utan: I know why you're here. It's going to have to take more than dirt for these people to lose my trust.

Marty: You're lucky; after what you just did three years ago, you haven't changed at all. You're still the same old Utan. (leaves.)

Rin: Are you going after him?

Utan: No, I have no reason to. If you go up there, you'll end up like Shiki. He's lucky he's even alive after Ugoh beat him.

Haruki: You created this facility. Are you just going to allow him to take that away from you?

Utan: We made it along with Kohaku. (thinking about Kohaku.) Now that I've mentioned her, where is she?

Komane: Who?

Utan: Kohaku, where's she at?

Michaelis: I don't know. I'm guessing she, Akiha, and Hisui went along with Uugoh.

Utan: That idiot. Why didn't you - - - AHHHHHH!! (gets out his signal beacon to locate Kohaku.) Got her.

Komane: Do you need any help?

Utan: Yes. Come on; let's go after them.

Utan, Komane, Ivan, Rin, and Michaelis went after Uugoh. When they arrived at Uugoh's location, Utan gets in front of the car.

Utan: Get out of car, Uugoh. (gets out his halycon weapons.) I'll give you ten seconds. (Komane, Michaelis and Rin get ready to use their Gandr.)

Utan, Komane, Rin, and Michaelis were just about ready to use their Halcyon Gandr Renpatsu to scare the driver. Uugoh gets out.

Marty: What are you guys doing?

Utan: Where's Kohaku? What did you do to her?

Marty: Nothing.

Kohaku: It's okay, Utan.

Utan: (was becoming angered.) Kohaku, don't scare me like that again. (Then, he sees Akiha, Hisui, and Luvia come out.) I'm sorry.

Utan & Rin: You!

Luvia: Utan? Rin?

Marty: Leave them. Let's go inside so we can have our discussion.

Utan: Discussion? About what?

Marty: About the facility, she decided to sell.

Utan: Akiha? You're intending to sell that to him?!! Why?!!!!

Akiha was silent.

Utan: Akiha, tell me why.

Marty: Do you want to know why? That place you've decided to build was worthless to her.

Utan: Take that back. I have ownership of that facility, I didn't agree to your terms.

Marty: Do you have majority ownership?

Utan: No, I'm not going to allow this. If you want to sell my facility, the two of us are going to have to agree to your terms.

Marty: Well then, I'll have the authorities here to make you agree.

Utan: You don't even have a passport here, Uugoh. You're screwed.

Marty: (gets out his passport.) You're the one that's screwed.

Utan was shocked to see that he had that. Without any other options, he tries to reason with Akiha not to sell that facility to him.

Utan: Akiha, you're making a big mistake. If you sell that facility to him, I won't forgive you.

Marty: If you don't mind, we'll be going inside.

Utan: You're not going in there.

Marty: Oh, and what are you going to do about it?

Then, Maiya appears along with Arcueid.

Maiya: No Utan, don't.

Utan wasn't listening to her.

Marty: Hey, your mother's calling you. (laughs.)

Utan: You're not fighting Arcueid or anyone else - - - you're fighting me. Step away from him, Kohaku.

Kohaku and Hisui backs away from Utan and Uugoh.

Akiha: That's enough, Utan. (Utan's battle aura got to her forcing her to tremble.)

Marty: So you want to fight against me - - - even against Akiha's wishes?

Utan: Yes, this place isn't big enough for another leader. Two's good enough.

Marty: Well then, let me make an audition here.

Utan: You wish. I wonder why you have Luvia around; you're using her as a scapegoat for your stay here? (Luvia was insulted.)

Marty: I wonder why you like Satsuki? I didn't know you like dead people. (Utan becomes a little angry when he mentioned Satsuki.) I guess I must have struck a nerve. Let's dance.

Utan and Uugoh fight each other. After a minute, he generates the Trailblazer (custom-made Great Sword from Idris) and uses his Kuuga to cut him but missed and cuts Touko's car in half vertically. Luckily, the airwave missed her by a couple of feet. Uugoh stops Utan's attack with his foot and tries to kick Utan as he lowered his sword, but he was hit in the chest by Utan's left hook.

Utan: I'm not the same Utan you fought against in the past.

Marty: But you're still naïve. (sees Touko and fires a heat beam eyeblast at her. Utan was able to teleport to her and shield her; they were both shot by him.) Looks like you're finished. (eyes in on Arcueid.) Now, it's your turn.

Utan slowly gets up.

Marty: Huh, you're still alive? (becoming angered.) WHY CAN'T YOU JUST DIE?!!!!

Utan: I told you as I told everyone else here. What I represent could never be destroyed - - - by you.

Utan's aura was skyrocketing that it blew away everyone except Arcueid, Ivan, and Maiya. After 3 seconds, the airflow stopped, it was suffocating the others except Utan, Maiya, Touko, Uugoh, Ivan and Arcueid. Then, he concentrates the negative aura within himself and gets ready to use it. (Shinkuu Zanshoo-Ha) It missed Uugoh but he was blown away by the windgusts straight into the waterfront. Unfortunately, Akiha and the others were in Utan's firing range when he used that, it was focused on Commander Uugoh. His eyes turned red all over. He was looking at her, then he looks at the others and himself on the mirror of Touko's destroyed car and falls out.

Komane: Utan! (rushes to his aid.)

Maiya: (mildly amused.) I'm impressed with Utan's ability to use that successfully.

Arcueid: You taught that to him?

Maiya: Yes. I'm proud but upset for him to use that to attack Ugo in front of those innocent people.

Ivan: Are you alright?

Hisui: I'm fine. (gasps for air.)

Akiha was silent and shocked to see that from Utan.

Kohaku: What was that?! That actually came from Utan?!!!

Komane: Utan! Utan!! (she has tears in her eyes.)

Maiya: He's alright. Let's take him home.

Shinkuu Zanshoo-Ha (Vacuum Destroying Wave) this happens to be a forbidden elemental attack. Special thanks to Saber and Caster, he releases his aura into the air and absorbs the enemy's negative aura into his power gauntlet and releases it back to the enemy. It generates winds ranging from 10 to 35 miles per hour.

Unlike Akiha, he has complete control over himself sometimes whenever he gets angry. It has to reach a point, in order for him to lose himself. Only the black Len and Maiya can calm him down.
