

### Chapter 3: Chastity on Utan

Utan returns home along with Kohaku. Feeling bitter, he knew that woman that he fought against was going to appear again. To Utan, it felt like he was fighting against Nanaya again.

Kohaku: Are you alright?

Utan: Yes, I'm fine.

Kohaku: Why didn't you ask Michaelis and Ivan to come here?

Utan: Duh; Akiha. I wanted to make sure that Michaelis and Ivan are on our side.

Kohaku: I'm sure she wouldn't mind having them here.

Utan: Ok. Well, I guess I should be getting some rest. See you tomorrow.

Utan goes to sleep in his room. A full moon was shining on Utan. In his dream, he sees that he's in the Elysian Fields.

Utan: What is this place? (Then, he sees a figure in gray - Maren.) Huh, it's you. Where am I?

Maren: You shouldn't be asking that question, it's already been answered.

Utan: Why am I here?

Maren: (turns around and looks at Utan.) As long as the moon shines brilliantly upon this earth, it will grant to you her blessing. Cherish it. (leaves.)

Utan: (he wakes up.) It was just a dream.

He goes to sleep; not noticing that the scar that Leo gave Utan was gone. The next day at summer camp, he decides to play tennis along with the others.

Utan: This is only a couple of exhibition matches we're having. You can spectate.

Michaelis: I don't mind playing.

Utan: Ok. So, who else would like to participate in this event?

A few hours later after his volunteer work, Utan decides to go to a spa to release his tension between the MageCorps being here. Once again, he ended up getting a black eye from Arcueid after he gave him a wild ace.

???: How may I help you today, sir?

Utan: I like to have one of your massage specials.

???: Excellent decision. Ok, would you like to pay cash or credit?

Utan: Credit.

???: Thanks.

Utan: (then, sees someone enter. It was Touko, but he mistook her as Aoko. Thinking silently.) Is that Aoko?

Touko Aozoki - She wears glasses and the same hair color as Aoko and the same eye color as Utan. But her hair was as short as Komane's and her eye color was a bit brighter than Utan's.

Utan heads into the spa room and was still waiting for someone to massage him.

Utan: I've been sitting here for ten minutes. What's taking them so long?

He lies face down. Then, he feels someone on top of his back.

Utan: It's about time. (recognizes the way she massages.) Yes, that's good. You have an excellent touch.

???: You think so? Thank you.

Utan: (feels his body feeling a bit cold.) It's feeling a bit cold in here. Does this place have an heater - - - Len?!!

W-Len: (she was sitting on top of Utan.) Did you miss me?

Utan: No, why are you even here?

W-Len: (puts her finger on his lip.) I'm here just for your amusement.

Utan: Get out of here; you're underage to amuse me. (feels a bit hazy after looking into W-Len's eyes.)

W-Len was able use her dreamcast to knockout Utan.

Then someone from the MageCorps felt that aura from W-Len and notices that Utan was within this area. It was Gideon McKruger.

Gideon McKruger - He possesses shape-shifting abilities that was in his early 30s.

Gideon: Ok, go on in and mow Utan down.

Carley: Ok. (speaks to his troops.) Move in.

Utan wakes up after a few minutes.

Utan: Len? Now where is she? (he sees the red dots heading to his direction on the signal beacon.)

He hurries up and gets dressed so he can escape. Some people the infantry were able to enter the room he was in. But he's gone.

Infantryman #1: Where is he? (looks at the signal beacon and discovers that he was still in this room.) He's still here. (was punched by Utan.)

Infantryman #2: Huh? (was kicked by Utan out of the building. Utan used an emergency exit at the spa center so he can escape.)

Utan had no other choice but to lead the infantry from MageCorps outside the city. He was just about to fight them all off at the park, until Arcueid appears outside the entrance. Some of the people from the infantry retreated when the saw her.

Carley: (sees that the infantry ran away.) Hey, come back here.

Utan rushes to him and uses the Goshi Yume Dan to put him to sleep.

Arcueid: Who are these people?

Utan: They're from MageCorps.

Arcueid: What are you going to do with him?

Utan: I'm taking him back to the mansion to interrogate him.

Arcueid: Alright. Say hi to Shiki for me.

Utan: I'll do it.

Meanwhile at the spa room, two people from the MageCorps try to capture Touko.

Infantryman #3: Ok, get out of the tub and come with us.

Touko: I wonder why? Did anyone teach you how to knock?

Infantryman #4: You are a mage, aren't you? You would make a nice addition to our organization.

Touko: So sorry, I'm occupied.

Infantryman #4: Oh, a wise one. I'm guessing we're going to have to take you by force, huh?

Touko: Of course. Just to warn you, you picked the wrong person to abduct.

Infantryman #4: Oh, yeah?!! (was shot by Touko straight in the head.)

Infantryman #3: (gets out his knife.) Why you - - -

Touko dodged his attack and blew off his head with a phoenix bullet.

Touko: Warned you. (leaves.)

Meanwhile at the Tohno Mansion, Utan, Komane, Ivan, Michaelis, Sion, Satsuki, Caster, Rin, and Rider were in the boiler room to interrogate the captured man. The man wakes up and sees Kohaku with a bunch of needles.

Kohaku: Hi. (giggles.)

Carley: Ahh!! What the hell do you think you're doing?!! (sees that he's shackled.) Where's Utan at?

Kohaku: He'll show up.

Komane: It's all set, Sion.

Carley: Ha. You guys are as good as dead. Do you realize whom you flea-brained losers are messing with?

Utan: Yes, we do. You're going to tell us where your commander's hiding and who he's attacking.

Carley: What about him? I hardly know who - - -

Utan: See that insignia on your pants' leg, you are working for him, aren't you?

Carley: No. I was just following orders. I don't know anyone by the name of Uugoh commanding MageCorps.

Utan: Ok, Sion. (Sion electrocutes the man for lying.) She was able to put etherlite in your nerves. The more you lie, the higher the voltage will become. Where's his next attack going to be?

Carley: He's still after Bazett, Utan.

Utan: And who else?

Carley: . . .

Utan: Who else?

Carley: (Sion electrocutes him again.) Ciel!!! Please let me go.

Utan: No. I still have one more question to ask, where's your commander?

Carley: Huh?

Utan: I'm asking you a question, idiot!!! (runs up to him and grabs him.) Where's Uugoh???? (looks at Sion.) Go on ahead and kill him.

Sion electrocuted him at max voltage; it ended up killing him.

Michaelis: Calm down, Utan. I'm sure we were to pinpoint his location.

Utan: I'm done here.

Michaelis: No, Utan! Leave Gideon; our focus is Uugoh.

Utan: I'm quite sure he isn't the same Uugoh I fought against when I left MageCorps. But I'm not going to allow him to kill these innocent people here.

Komane: Utan.

Utan: I'm sorry that I got you all involved, again. (leaves.)

Utan heads to the area where Gideon McKruger was. There were some campers on top of the roves of some of the houses. The camper on Akira's roof has found Ciel.

Rifleman #1: (calls the commander on his signal beacon.) I was able to pinpoint Ciel's location.

Gideon: Good. You know what to do.

Utan: Great, knowing Gideon he could transform to anyone. I have to keep my guard up.

Then, he sees a vision of Ciel being shot by the rifleman. He was able to stop the rifleman from killing Ciel by throwing a halcyon dagger at his head. He falls and screams.

Ciel: What is that noise? (sees Utan outside.) Utan?!

Utan: (he sees Gideon as Utan and goes after him.) Gideon!!

Ciel: Huh?

Utan and Gideon fight for 30 seconds. Utan was able to knock him down; Gideon picks up some sand and throws it at Utan.

Utan: My eyes. (Gideon rams Utan to the ground and looks at Ciel.)

Gideon: Kill him, Ciel. What are you waiting for? Kill him!

Utan: No. Don't listen to him, Ciel. He's Gideon.

Gideon: I'm the real Utan. Kill him.

Utan looks at Ciel. She throws the black key at Utan anyway.

Gideon: Good job.

Then, she throws the black key at Gideon's head.

Gideon: You bitch!! (rushes over to her with that black key to kill her. she kicks the black key up in the air, caught it and threw it into his heart.)

Ciel: Utan, are you alright.

Utan: Of course I am. (gets the black key off of his shoulder.) So, were you aware that the people from MageCorps were planning to kill you?

Ciel: Yes. Besides, they happen to be weak.

Utan: That's saying much. Well then, I guess I should be heading back home.

Ciel: . . . .

After a few minutes, Utan's iPhone was ringing.

Utan: Hello.

Komane: It's me.

Utan: Komane, what is it?

Komane: Sion and I were able to find out there were more people that he's targeting other than Bazett.

Utan: Who?

Komane: It's a list I can't read it. The words are blurry. Let's see if you can.

Utan: Send it to me.

Utan became angry as he saw the number of people that were on the list; they were targeting everyone affiliated with Utan, including Haruki and Ryutoma. Meanwhile at the middle of Fuyuki City and Misaki Town, they just got through broadcasting the news.

Zeke: Thank you for watching this telecast. We hope to see you again tomorrow.

Cameraman #2: Excellent work. (he walks past the cameraman #1.) Where are you going?

Zeke: I'm heading home.

Then, there was a blackout inside the building.

Zeke: What just happened?

Cameraman #1: It must be a blackout.

Zeke: Where did this come from?

Security Guard: Don't know. Hey, can someone turn on the secondary power generator?

Then, the power turned back on.

Zeke: It's about time; I was scared for a second.

Security Guard: Ok, we're closing this place down.

???: I'm afraid that won't be necessary.

Cameraman #2: Huh? Who's that?

He sees coming coming out of the television and it was smiling at him. It was none other than him, Zepia.

Zeke: Who are you?

Zepia: I'm Zepia. I was wondering if I could borrow your body for a couple of weeks now that summers have become so boring here.

Zeke: Huh? You're crazy; remove this man from this building.

Zepia enters into Zeke's body and kills the remaining members in the building by skewering them to death. Then at Utan's location, his iPhone was acting up.

Komane: I was afraid you were going to do that. Utan - - - (lost his signal.) Utan!!

Utan: Hey, something's wrong with my phone. I'm afraid I'm going to have to call you back. (hears some static from behind him.) Where the hell is this noise coming from?

Then, someone comes out of the static. It was Dark Sakura. Utan was shocked to see her.

Utan: Sakura? That's impossible. How did you - - -

D-Sakura: What's the matter, Utan? Aren't you happy to see me?

Utan: No. Who are you? You're not Sakura.

D-Sakura: True. Thanks to the Tatari, I've returned the favor of destroying you.

Utan: (he couldn't hear the word Tatari.) By what? Why are you even here?

D-Sakura: (giggles.)

Utan: (gets angered by her annoying giggles.) You just came at the wrong time, whoever you are.

D-Sakura: (giggles.) I am - - -

Utan: No, you're not. That Sakura died six months ago; I was able to expel you from her body. If you're planning to fight against me, expect the same results.

D-Sakura: Oh, do you really think you can defeat me again?

Utan: Yes.

Then, D-Sakura, generates a scythe from her aura.

Utan: Huh? How were you able to do that?

D-Sakura: The same way you did. (smiles.) You did teach me this technique, didn't you?

Utan: (becomes a bit angry as she licked her scythe.) Yes.

Utan fights against Dark Sakura for a minute without knowing why she has returned. Utan was at an equal level against her scythe; but when he looked into her eyes while being in a guard struggle, he realized that it wasn't as frightening as the original Dark Sakura.

Utan: (thinking silently.) So, that's what it is? (backs away from D-Sakura.)

D-Sakura: What's wrong? Are you ready to give up?

Utan: No. (readies his stance.) It's about time to put you back in your place. (uses his Kuuga to cut through D-Sakura. it missed.)

D-Sakura: That attack again. (sees him generate more Kuugas. (Senryuu Zankuu Geki)) Ha, quit teasing me. (then, he generates a gigantic airwave. she saw that his attack was a diversion.)

When Utan got close to Dark Sakura, he stabs her in the stomach. She has her arms around him.

D-Sakura: Huh? You actually beat me?

Utan: Yes, I've become a lot stronger since the last time we met. We're free from Zoukenou.

Then D-Sakura starts licking the blood of the right side of his neck. She becomes enticed by the taste of his blood and giggles. He becomes disgusted with D-Sakura, removes the sword from her, and cuts her again.

Utan: (looks at her grimly with his eyes.) You can achieve that perfection, but not here.

D-Sakura: (looks at him grimly with her eyes.) We may be free from him -but you're still in denial for who I am and the darkness that you're enamored upon. I'll return. (slowly disintegrates. giggles.)

Utan: I'll be waiting for you.

Utan cleans her blood off his blade, puts it back in his sheath and walks back to the mansion.
