

## Chapter 1: Introduction/A Hero's Welcome

Four months passed since Utan and his allies defeated Zepia and Martellus Lee Ugoh. Now, Utan and his allies encounter a new threat. The LunarFate Legend continues.

It was 2 PM; Utan fights against Miyako and Nemo Uga. As you can see, Miyako and Nemo Uga had gotten powerful since the past three years they first saw Utan; but Utan wasn't even using his full power to combat them. Miyako was able to get a few good hits in against Utan, but he threw her away from him. Then, Nemo Uga was landing a flurry of punches; somehow, Utan was able to withstand those attacks. But when Nemo Uga tried to land a kick, Utan grabbed hold onto his leg and tried to break his ankle. He was able to stop himself from doing that.

Utan: Ok, that's enough for today, you two.

Nemo Uga: What? Why did you stop? Let's keep going.

Utan: (nods his head "no".) I'm sorry, Nemo Uga; but if I would have continued onward, I would have broken your ankle and it would have taken weeks to heal.

Miyako: (looks at Nemo Uga. he was upset.) Cheer up, Nemo Uga. You've gotten a lot stronger; don't feel too badly about it.

Nemo Uga: That's easy for you to say. Anyway, what did you think about my power increase, Utan?

Utan: I'm impressed.

Nemo Uga: Gee, thanks.

Utan: But, your power increase is nothing compared to what Miyako has right now.

Nemo Uga: (sarcastically.) Gee, thanks. Anyway, why is she getting powerful?

Utan: Simple. Your resolve is sporadic compared to hers; not to mention, she's been fighting me more often at Fujimura's dojo. Miyako, why won't you show him what I mean.

Miyako: Ok. (readies her stance.)

Nemo Uga: Huh?

Nemo Uga dodged a critical hit from Miyako's attack. (Iron Mountain) He was too lucky to dodge that attack; if he didn't avoid it, it would have been a fatal knockout.

Nemo Uga: Damn, Miyako. What are you trying to do? Kill me?!!

Miyako: I'm sorry; I guess I got carried away.

Nemo Uga: (feeling upset.) . . . . .

Utan: Look, Nemo Uga. Just let that be a lesson of humility to you; even people like me have limits and off days. Nobody's perfect.

Nemo Uga: Ok.

Miyako: I guess I should be off now. Thanks for the training, Utan.

Utan: You're welcome.

Miyako leaves. Nemo Uga was becoming jealous of Utan giving Miyako the royal treatment.

Nemo Uga: Now with her out of the way, I would like to challenge you in a game of Madden.

Utan: For real, Nemo Uga? Aren't you tired?

Nemo Uga: No; I'm just want to see your skills in Madden.

Utan: Well, I got the PlayStation 3 version of this game; not the Xbox 360 version.

Nemo Uga: It'll be fine.

Utan: Ok. I think you're making a big mistake challenging me in this game. I'll try to use a regular team; I'm still working on my created team, the Honolulu Tigers.

Nemo Uga: Fine by me.

Utan and Nemo Uga enter into the mansion to play Madden 11 in Utan's room. Utan chose the Saints while Nemo Uga chose the New York Jets. Then, Kohaku appears in Utan's room.

Utan: Hi, Kohaku. Need me for anything?

Kohaku: Yes, grocery shopping.

Utan: Ok. When's Akiha and the others coming back from school?

Kohaku: Two hours.

Utan: Ok, Kohaku. We'll get ready to go out after I beat Nemo Uga's Jets.

Kohaku: Ok. Out of curiosity, why do you call Nemo Uga, Nemo Uga?

Nemo Uga: Because it's my first name.

Kohaku: What a surprise. Anyway, good luck on beating Utan, Nemo Uga. You'll need it.

Utan was able to beat Nemo Uga 31-13 in 4 minutes in each quarter. As you can see, Nemo Uga was upset that he lost to him again.

Kohaku: Good job, Utan.

Utan: Thanks. I forgot to tell you that I practice against the Jets to understand their playstyle.

Nemo Uga: Damn. I should have won that game; you keep throwing bombs against my blitzes.

Utan: That's because you blitz too much; I was able to see through your blitzes. Besides that, your blitz patterns were too predictable.

Nemo Uga: Well, I guess today wasn't my day.

Utan: You're going to have days like this, Nemo Uga; you just need to make the most of it, that's all.

Kohaku: Are you two ready to come with me?

Utan: Sure.

Nemo Uga: Fine by me.

So, Utan and Nemo Uga went with Kohaku to get some groceries. They were able to get everything on the list. But before they could head home, Utan encounters some thugs near a young schoolgirl. (Kei Amano)

Utan: Ok, Kohaku. Keep a close eye on Nemo Uga.

Nemo Uga: Why? What are you doing?

Utan: I need to see what these guys are doing to that schoolgirl.

Utan heads up to the thugs and eavesdrops on them. There was one gang leader and three gang members.

Gang Leader: You're short of the required amount, Kei. What the hell are we going to have to do with you?

Kei: That's all I got. I'm sorry.

Gang Leader: That's not good enough, sweetie. I know you can do better than that. (pulls out a knife. two of the gang members held onto her so that she could not escape.) I wonder what we're going to have to cut off first?

Utan: Hey! Why won't you pick on someone your own size?

Gang Member: Who the hell are you supposed to be? A tourist?

Utan: Tourist? Where the hell have you been? You're really good at labeling Westerners, like me. I suggest you let her go if you wish to live.

Gang Leader: Why would we want to do that? If you're her friend, I'll just have to kill you and your family.

Utan: Ok, it seems like I'm going to have to do the unthinkable to get my point across.

Gang Member: Oh, and what's that?

Utan: This.

Utan uses a Flash Step and elbows the second gang member in the face. Utan fought against the rest of the gang members for a minute. The gang leader was searching for some more money from Kei. By having Utan angered, he grabs the gang leader and beat him up.

Gang Leader: You asshole.

Utan: What's the matter with you? You enjoy abusing the weak; I'm doing this girl a favor by putting you out for good.

Gang Member: Come on; let's go inform the boss about this.

The gang left Utan, but they were unaware that Utan had a tracking device on the leader.

Nemo Uga: I can't believe you're letting them get away.

Utan: Don't worry; they won't get too far.

Nemo Uga: (sees that Utan had a tracking device.) That's really crafty, Utan.

Utan: Ok, let's go home.

Utan, Kohaku and Nemo Uga enters into a SUV. But when Utan starts the car, he hears "If You Want To Be Happy" by Johnny Soul.

Utan: Who changed my CD?

Nemo Uga: I'm sorry.

Utan: Next time if you want to listen to Johnny Soul, ask next time.

Utan, Kohaku and Nemo Uga made it back to the mansion ten minutes before Akiha and the others. Hours passed, Utan and the others had finished dinner. After they finished dinner, Utan and Komane went into Utan's room to get some halcyon stars and throwing knives to get to the main boss of the mob in Misaki Town.

Utan: You got everything, Komane?

Komane: I'm ready whenever you are.

Then, Nemo Uga appears.

Nemo Uga: Where are you going?

Utan: We're heading off to deal with the mob boss.

Nemo Uga: Wow. Can I come?

Utan: No, it's too dangerous for you. Besides, you're not ready to do our scouting missions.

Nemo Uga: What do you mean I'm not ready?

Utan: You're not ready. It's true that you gotten stronger for the past three years, but you still have a lot to learn on how we do things here. This isn't America.

Nemo Uga: (annoyed.) . . . . .

Komane: Don't worry; you'll get your chance.

Utan: Come, Komane.

Utan teleports Komane and himself to the mob boss's hideout, which was in the outskirts of Misaki Town. They were 30 feet away from the mansion.

Utan: Ok, Komane. I'll try to get inside the mansion; you take care of the members of the back gate.

Komane: Ok, try to play it safe in there.

Utan jumps above the mansion's gates and fights the guards. Inside, the boss (Daisuke Aotomo) was wondering what that noise was outside.

Daisuke: What's going on out there?

Gang Member: We got intruders.

Daisuke: How? It doesn't matter. Go on ahead and deal with those idiots.

Then, Utan blew up the front doors of the mansion. Daisuke was shocked to see Utan.

Daisuke: It's you. Why are you here? I thought you were in Hawaii.

Utan: You thought wrong. Anyway, I'm here to put an end to your misery.

Daisuke: You're crazy. (then, two of his prized fighters appear.) Get him; tear that guy limb from limb.

Utan fought them and beat them up forcing Daisuke to leave out the back door. He was just about to get into his car but Komane appears to stop him.

Daisuke: Oh no. Not you too.

Komane: It seems like you remember me. I'm going to kill you for what you just did to my parents.

Daisuke: It wasn't my fault; they needed protection from the holy grail war and besides they were involved with the wrong people.

Utan: (senses someone.) Komane, look out.

Someone fired an arrow straight to Komane but that person missed and shot Daisuke in the head. Utan was shocked to see that the person do that to him.

Utan: Who's out there? (sees that Komane was upset.) I'm sorry, Komane.

Komane: It's alright; I'm glad that this is over. My parents' death has been avenged, thanks to you.

Utan: (hears sirens.) Let's go back to the mansion.

Utan and Komane teleported back to the Tohno mansion before the police arrived at the Aotomo mansion.
