

Chapter 9: Maintaining Knowledge

At 9:10 am, Utan wakes up and finds Ciel out of bed.

Utan: Now where is she? (He goes downstairs and finds Akiha and Shiki in her living room.)

Akiha: We came here to see you.

Utan: So, what were you guys talking about?

Akiha: Oh nothing.

Utan: (becoming suspicious of Akiha's voice.) You guys weren't planning to work against me, weren't you?

Shiki: Us? Why would we? Obviously, you've been here for 6 days and you happen to feel like you're at home.

Akiha: Yeah.

Utan: Where's the girl that I was able to save from my first day here?

Shiki: Who, Hanei? Why do you want to see her?

Utan: I want to see how she's doing. Is she in this block?

Shiki: Uh, no.

Utan: Hopefully, I'll find her. So, are you going to help me with this?

Akiha: What, with the Angra Maniyu?

Utan: Yes.

Akiha: If necessary.

Shiki & Utan: What?!!

Akiha: However, Shiki and the others can join you. I have better things to attend to.

Utan: (becoming angered.) What the hell's wrong with you? The world is in danger and you would rather have cookies and tea with your girlfriends?

Shiki: I'd have to agree with him, he can't do this on his own.

Akiha: Shiki, why are you taking Utan's side? (Her hair turns red and looks at Shik.) You put yourself in danger so many times and I concern about your safety.

Utan: What? I've been here for 5 days and you're comparing me to him? I case you forgot I killed him for your sake. Instead you're acting just like him.

The moment Utan told Akiha she was acting like SHIKI she was enraged. Utan tried to absorb the all the heat coming from her and concentrated the heat within his body into an auric armor created by Akiha's animosity towards him. (Kaihou no Akiha – Red Wave Armor) If they keep this up, Ciel's house was going to be reduced to ashes by those two. Utan was keeping that from happening. She was angered; Utan knew he had to stop her burning this place. Utan was able to use Akiha's heat wave against her, he concentrates his energy that he got from Akiha into his right hand and generates his own heat wave to knock her out. (Souryuu Ha – Dragon Talon Wave)

Utan: You just happened to re-aggravate my poison due to that heat wave of yours.

Shiki: Great, we should have brought Kohaku along. I'm positive she would have - - -

Utan: No thanks. I'm going outside to cool off for a moment; your house happens to be a furnace whenever Akiha's around. (leaves.)

Ciel: Wait, Utan. She scared him off again.

Shiki: Ok. I guess we should be going now. Thank you again.

Utan is outside and he sees a car pass him. He feels a grim presence in the car and he follows it. But he sees Rin.

Rin: What are you doing?

Utan: (speaks.) I was getting a good exercise. Seriously, I'm trying to get into good shape so I won't be as slow as you.

Rin: Oh, is that a fact?

Utan: I guess so. (sees Shirou.)

Rin: Shirou?

Shirou: I'm sorry for surprising you like that.

Utan: Shirou? Um, where's your servant, Joan?

Shirou: Joan? Her name's Saber.

Utan: Oh. Why do I keep forgetting that?

Rin: Joan, as in Joan of the Arc?

Utan: She happens to be similar to her.

Rin: She isn't.

Utan: What? Let me see how she's doing.

Shirou: What for?

Rin: Akiha must be giving you a headache over there? I don't blame you.

Utan: Was that an insult? Ciel gave me curry and my tongue was burning up.

Rin: Oh no. (Utan was becoming annoyed by the tone of her voice.) Well then, I guess we should be heading over to his house.

Utan: Ok.

Rin, Shirou, and Utan head over to his house. Before they could do that, Utan sees Shinji and an entourage of females. He decides to go over there to see him.

Rin: Don't be foolish, Utan. Let's go.

Utan: No, I'll catch up with you two. I want to see what he's doing. (walks over to Shinji.)

Shinji: (sees Utan, thinking silently.) Great, it's him.

Utan: Hello, Shinji.

Shinji: Get away from me. I just got through with a fan club meeting and you're coming here? You have some nerve antagonizing me.

Utan: Me, an antagonist? I was thinking that I happen to be the hero here. I guess antagonizing Rin just wasn't good enough for you, wasn't it?

Shinji: Forget her. If you don't mind, I have to go home and see what these people want.

Utan: Oh really? So, why you got those other females along with you?

Shinji: Ok, that's it. I want you to leave me alone; what part of that don't you understand?

Haru: That guy looks familiar. I swore I saw him somewhere.

Shinji: It's better if you didn't know him. He just happens to be a lousy old beggar searching for his lost dog.

Utan: (punches him in the nose.) You haven't seen a beggar that can do that to you. Quit acting and talking tough.

Shinji: (holds his nose.) Why you - - -

Haru: Please, stop this.

Utan: I suggest you listen to her. That tough guy attitude isn't going to work against me.

Shinji: Says who? (attempts to punch Utan.)

Utan: (grabs Shinji's fist.) Obviously, you never do learn from recent history. I guess I'll show it to you then.

Utan was just about to twist Shinji's arm, until Shirou appeared just in time to stop him.

Shirou: Utan, stop.

Shinji: Shirou? Why are you here?

Utan: (He lets go of Shinji's fist and punches him in the nose again. Looks at him.) That arrogance of yours may end up killing you someday, if you're not careful. Go home and clean yourself up; you're a disgrace.

Haru: (stops Shinji from attacking him.) Please stop it. Just listen to him.

Shinji: Fine. This doesn't change anything between us. (leaves.)

Shirou: Seriously, Utan. You need to think about you just did to him. You can't just randomly attack people.

Utan: Clearly, I had a reason. I just wanted to make sure that he's not doing the obvious. Well, it's over with.

Shirou: No it isn't. You can't just come here and randomly attack people. You're not a renegade cop; Shinji has feelings just as you do.

Utan: (grabs Shirou.) Bullshit, Shirou. That's what it is. I can't believe you're defending him after what he just did to Rin.

Shirou: Why would he possibly do to make you like this? Is it all because of her?

Utan was silent and unhands Shirou.

Rin: Are you two finished?

Utan: I'm sorry.

Rin: It's alright. So, you still want to go see Saber?

Utan: Of course.

Utan, Rin, and Shirou head over to his home. At Komane's location somewhere in between Fuyuki City and Misaki Town, she was asleep in the back alley.

Komane: (a bird pecks her and wakes up.) Where am I?

The bird flies away.

Komane: Well then. I guessing I'm in no man's land. I have to find Utan.

Komane finds out that Utan's was within 10 miles from her; meaning that she was in Fuyuki-Misaki area. She decided to look for Utan and tell him about the attacks in Tokyo. Meanwhile at Utan's location, he was along with Shirou and Rin to see his servant, Saber.

Utan: After all this, I haven't found any traces of the Angra Maniyu here. I wonder how Komane's doing.

Shirou: Komane?

Utan: Komane Uzuki. She happens to be my partner here.

Rin: Komane Uzuki? Where did I hear that name?

Utan: Why, do you know her?

Rin: Not really. Is she here?

Utan: Yes, she's currently taking care of the Angra Maniyu attacks in Tokyo along with the others. It has become difficult ever since I've defeated Berserker and scared off Illya. It seems like her mother's going to have to deal with me.

Rin: I'm sure others happened to be enticed by your power.

Utan: Yeah; but I'm sure that you, Shirou, and Saber are on the side of good.

Shirou: We are.

They arrive at his house.

Rin: Just try to behave yourself in there, okay?

Utan: I will. Believe me, what's the worst that can happen?

Shirou: (knocks on the door.)

Sakura: Oh, hi. (sees Utan.) Shirou, who's this?

Shirou: Sakura, I'd like you to meet Utan Enhada.

Utan: (puts his shoes outside.) Good to see you. (holds out his hand to shake.)

Sakura: (flinched.)

Utan: What's wrong? (senses fear from Sakura. He's guessing she must have saw what he did to Shinji.) I just wanted you to shake my hand.

Shirou: Nevermind, let's go inside.

Utan, Shirou, Rin, and Sakura go into the living room, where "Taiga" Fujimura was.

Fujimura: Oh, good afternoon, Shirou. (sees Utan.) Who's this young man you've brought along with you?

Shirou: Ms. Fujimura, this is - - -

Utan: Let me handle this. My name's Utan Enhada.

Fujimura: Utan Enhada?

Utan: Yes, it's a pleasure meeting you, Ms. Fuji. I came here along with Shirou and Rin as a tourist. Is it okay for me to stay here for the afternoon?

Fujimura: Sure.

Meanwhile in the back alley, where Satsuki is. She was thirsty. She had a flashback of how she was able to escape from the people that rescued Utan.

Satsuki: Shiki, where are you? (she falls asleep.)

Then, 2 pedestrians come into the back alley where Satsuki was. Clearly, due to the amount of investigators and news reporters there, they decided to take the shortcut home.

Pedestrian #2: I'm quite sure you saw this on the news about two people being killed last night at a restaurant.

Pedestrian #1: Yeah, I saw it. Leaves me wondering, who is that western barbarian that's creating this mess? Couldn't he do this stuff in America?

Pedestrian #2: I doubt it, but his name is - - - Utan. Didn't get a good description on his last name.

Pedestrian #1 sees Satsuki drenched in blood and comes to her aid.

Pedestrian #1: (sees Satsuki drenched in blood.) What the hell? Damn, how many people are being killed here by this?

Pedestrian #2: Now that Utan's here, the death toll here has increased.

Satsuki woke up when she heard the word "Utan" and cuts pedestrian #2 in half by the waist.

Pedestrian #1: (screams.) St - - - St - - - Stay away from me.

Satsuki: Where's Utan?

Pedestrian #1: I - - - I don't know who he is. You killed the guy that knew something about him.

Satsuki: Please, forgive me.

Satsuki decapitates pedestrian #1's head off. Right after she got through drinking the blood from pedestrian #1's head, a guy wearing a black cloak over his head appears. It was actually Roa.

???: Well, Well. What do we have here?

Satsuki attacked the man without anything to say. As soon as she managed to attack him, he kneed her in the stomach, used a knife, and stabbed her in the back.

???: Such a pity. (he carries her out of the alley.)

At the convenience store, Komane got some tools from the store for fix her tracking device to find Utan.

Komane: Thank you very much.

Storekeeper: You're welcome. (thinking silently.) I could have sworn I saw that woman before.

Komane heads to the back alley near the convenience store to fix her tracking device. Out of nowhere, a bird snatches her tracking device and flies off.

Komane: Hey you, get back here. (chases the bird.)

Back to where Utan was, he was having lunch along with the others. They had a wide variety of food for them to eat. Utan was shocked to see a curry dish on the table.

Fujimura: Utan, I was wondering if you were hungry. Would you like to take a seat and eat?

Utan: Yes. Do you have any sweet tea?

Sakura: Sure, we do.

Utan sits at the right side of the end of the table near Saber. Her presence was definitely stifling that Utan was feeling uncomfortable. He was able to eat most of the food that he picked up. The only thing remaining was the bowl of rice and sweet tea.

Utan: Uh, Shirou. Can you pass me the soy sauce?

Shirou: Sure. (He gets it and hands it over to Saber.)

Utan: Thank you, Shirou. (he became insulted. He asked Shirou to pass the soy to him.)

Saber: I would like to see that when you're done.

Utan: Sure.

Utan pours the soy into his rice and he saw some dark red eyes staring at him in the glass bottle of soy. He was shocked to see that, he accidentally dropped the soy sauce.

Shirou: Utan.

Utan: That was - - -

Rin: Utan, is there something wrong?

Utan: Yes, I saw someone staring at me in that jar. (Thinking silently.) Those were the same eyes I swore I saw in my dreams. (sees that he broke the glass bottle.) Oh, I'm terribly sorry about breaking that.

Fujimura: Don't worry, I clean it up. Utan, you need to be more careful than that.

Utan tries to finish his bowl of rice. As soon as he got through eating ½ of the bowl, Komane's tracking device alarm sounded off.

Rin: What is it?

Utan: Sorry, you guys I have to go.

Shirou: Why?

Utan: Something just came up, I'll handle this. Thanks for the meal, Ms. Fuji.

Fujimura: You're welcome.

Utan leaves and gets out his tracking device to find Komane. He sees that something was approaching at his direction at full speed. He sees that it's a bird.

Utan: What is that bird doing with that? (throws his halcyon dagger at it and hit one of the bird's wings. He sees Komane.) Komane.

Komane: Utan.

Utan: Seems like you came back from Tokyo. Were you able to find any traces of the Angra Maniyu there?

Komane: I was. However, the attacks in Tokyo have cooled off for a bit. So were you able to find any traces of the Angra Maniyu?

Utan: Yes. A young boy named Shinji happens to be the one releasing these creatures. I'm wondering who's supplying those to him.

Komane: We have to find the main core of the Angra Maniyu. I was able to destroy the spawns in that area.

Utan: I also found out that those things can make humans do what it wants or they can just kill them with time. Rin told me about them.

Komane: Rin? You spoke to her?

Utan: Yes, why? Is there something wrong?

Komane: Uh, no. I - - -

Then, a mob of people spot Utan and Komane.

(???): There they are. Get them.

Utan sensed the presence of the Angra Maniyu within the mob. They attacked Utan and Komane. Then after a minute, Utan and Komane were able to defeat the mob and extinguish the Angra Maniyu within them. His shoulder was feeling numb.

Komane: Utan are you alright? (sees that his left arm was poisoned.) Utan!!

Utan: I was poisoned by Iris.

Komane: Who's she?

Utan: Never mind, let's go. (feeling weak from the poison.) I re-aggravated the poison.

Then Kohaku appears.

Kohaku: Utan?

Utan: Leave me alone, Kohaku.

Kohaku: Well, that's no way to talk to the person who saved your life from Satsuki, isn't it? (she helps up Utan.)

Utan: No. (he gets up.) I'm guessing you were eavesdropping on the entire fight we had against the Angra Maniyu, weren't you?

Kohaku: Yes. You sure are a glutton for punishment.

Komane: Who's she?

Kohaku: My name is Kohaku. It's a pleasure to meet you.

Utan: Where's your master?

Kohaku: She's at home. However, we ran out of tea. I have to get going; I wouldn't want to keep her waiting. (leaves.)

Utan: (Thinking silently and looking at Kohaku in a strange way.) Women and their tea. (speaks.) Ok, let's go to Akiha's mansion and greet her. (sees Komane examining blood and the mutilated bodies in the back alley.)
Komane, what is it?

Komane: The blood from this man's head has been sucked dry. Who did this?

Utan: I can only think of one person who can do something like that. Satsuki.

Komane: What is she?

Utan: She's a vampire. It's almost I've been seeing vampires from many different varieties. I thought that they would be more like Count Dracula.

Komane: A vampire?

Utan: I wouldn't underestimate her if I were you. You'll end like those people.

Komane: Why would I underestimate her?

Utan: If you do see her, I want you to be careful. Let's go to the mansion and discuss this with Akiha and the others.

Right after Utan and Komane left, Ms. Heart appears.

Ms. Heart: It seems like I underestimated Utan.

Ms. Heart absorbed the essences of the dead people that were defeated by Satsuki, Utan, and Komane and then disappears.

Meanwhile where Utan and Komane were, they were heading to the Tohno mansion. Komane was becoming suspicious of Utan freaking out when she saw Kohaku.

Komane: You freaked out when you saw Kohaku. I wonder why?

Utan: Why? It's her master. Akiha Tohno.

Komane: Akiha? Do you like her?

Utan: Whaaat? Don't be ridiculous; I do but I don't. Let's just leave it at that, OK?

Komane: Sure. (laughs.)

Utan: (thinking silently.) She won't be laughing once she's burned alive.

Komane: I can see it in your eyes, you like her.

Utan: Whatever, this discussion's over with.

Utan and Komane arrive at the gate of the mansion; however, the gate was locked.

Utan: Locked. Well then, I guess we should wait until Kohaku returns.

Komane: Fine. (She jumps on Utan's right shoulder and over the gate.)

Utan: Komane, what are you doing? Get back here.

Komane: Why should I? (she sees some Mech-Hishui's come in her direction.)

Utan: Great. I'm coming, Komane.

Utan enters the mansion to aid Komane. Inside the mansion, the alarm sounded off.

Akiha: An intruder?

Shiki: I'll go check it out. (leaves the mansion.)

After Utan and Komane got through defeating Mech-Hishui, Shiki appears in shock.

Shiki: Oh my god. Utan, do you have any idea what you just did?

Utan: Yes. Tell Kohaku that I recommend fixing a few bugs with her robots. Obviously, they happen to be a bunch of prototypes.

Shiki: Who's your friend?

Komane: I'm Komane Uzuki.

Shiki: Komane? Utan, you didn't even tell us that you had a companion here.

Utan: No, I didn't. Hey, I was able to find traces of Satsuki's blood nearby.

Shiki: Satsuki? (grabs Utan.) Where is she?

Utan: I have no idea.

Kohaku appears.

Kohaku: I'm back. (sees her Mech-Hisuis destroyed.) Oh, my god!!! Utan, what did you just do?

Utan: They attacked my guest I wanted to bring in. I'm terribly sorry for what happened.

Komane: It wasn't my fault you didn't tell me about her security system.

Utan: I told you to wait for her - you never listen.

Komane: I'm not listening? How dare you?

Utan: You assume that I don't; you're wrong. I have rabbit ears and you don't.

Shiki: Ok, Utan. I think we understand. If you're done arguing, would you like to come inside?

Utan: Yes. I'm thirsty, if that's ok with Kohaku.

Kohaku: Sure.

Meanwhile the Eizenbern mansion.

Sella: Excuse me for my intrusion. We have someone who would like to see you.

Iris: Who is it?

Sella: It's them.

Iris: Ok, bring them in.

They happen to be Aoko and W-Len.

Iris: How nice of you to join us. Would you like some tea?

Aoko: No thanks. I'm fine.

Sella was feeling uneasy of Aoko's presence.

Aoko: However, you can do it.

W-Len: Me? Why can't you can't you do it?

Aoko: It's your specialty. (She lends W-Len some of her mana.) Here, I supplied you with enough mana to mask the grail.

W-Len walks off to Illya's room to mask the grail.

Iris: How long will it last?

Aoko: 3 to 6 days. For her, it may last 5.

Iris: Ok. Thank you very much.

Aoko: Come on, it's the least I can do for you. Besides that, your servant - - he's so eager to fight against Utan again. Hopefully, she can command him without the others finding out she has the grail conduit.

Iris: He is? I'm not surprised. He's never fought against anyone within the same class as him. Utan may be an exception to that. With that power, he's nearly as powerful.

Aoko: You are right. Due to the power of the other gem that isn't colored, he and your servant may be evenly matched or even powerful than Berserker.

W-Len: It's complete.

Aoko: Good. Just call us if you need us to do anything else.

Iris: I will. Have a nice day.

Aoko and W-Len leave the mansion. Back to the Tohno Mansion.

Hishui: Here's your teacup, sir.

Utan: (looks at the cup.) Obviously, I need something bigger than this.

Komane: Ha.

Utan: (looks at Komane.) Well at least I've decided to this, unlike you. Excuse me, Akiha.

Akiha: It's okay.

Utan: Do you have any sugar around?

Akiha: It's right in front of you.

Utan: Thanks.

The cup was like about 4 ounces. Utan added half ounces of sugar into his tea. He drank it and threw it up because someone added salt.

Utan: Salt?!!!!! Who puts salt in tea?!!!!!

Kohaku: I bought it for Akiha. It's one of her favorites. Do you like it?

Utan: Yes, but I felt like the Meixan Curry that I ate last night happened to be SUPER-SPICY!! If this is a practical joke you're pulling, I'm not laughing.

Akiha: I didn't know that.

Utan: Well, now you know. (his left shoulder was getting numb for the poison.) Ahh!!!

Akiha: What's wrong, Utan?

Shiki: He told us about the poison.

Kohaku gets a needle out and injects Utan's left shoulder with them.

Utan: Ahhh! Needles!! (right after Kohaku pulled the needle from his shoulder, he passes out.)

Komane: Utan. Kohaku, what did you just do to Utan?

Kohaku: I gave him relief. Hopefully, he'll wake up within two to three hours.

Meanwhile at Sakura's location, she got back from Shirou's house. For some unknown reason, she's feeling weak. She was holding her left side in pain.

Sakura: Why am I feeling weak all of the sudden?

Shinji enters in her bedroom.

Sakura: Shinji. Why are you here?

Shinji: Why else? In case you've forgotten, you have a contract to uphold.

Sakura was slowly trembling, as he got closer and closer to her.

Meanwhile in Utan's dream, he was in a snowy plain.

Utan: Where am I? (looks at his surroundings.) Why is it winter here all of the sudden? Who's here?

D-Sakura: Surprise!!

Utan: (getting angry.) How did you do that? Why are you doing this to me?

D-Sakura: You want to destroy my children.

Utan: Your children?!! They don't even have a soul. All they do is corrupt humans! HOW COULD YOU CALL SOMETHING LIKE THAT FAMILY?!!!!

Utan attacks D-Sakura. But D-Sakura was able to evade his attack and kicks him in the face and drives him into the ground with her foot.

D-Sakura: Your blood happens to be corrupt as well. You are carrying my death note. (sees that Utan cut her foot with two of his front teeth. She tries to put her feet in Utan's mouth.) Taste it and see if you're wrong.

Utan: (stops her feet.) No, you. You taste it. (sees her toes turn into tentacles and goes into Utan's mouth.)

Utan wakes up in complete shock when he felt D-Sakura's tentacles were tearing up his body.

Utan: Some dream I had.

Komane: Utan, what happened?

Utan: I just had a terrible dream, that's all.

Komane: Oh sure.

Utan: (looks Komane angrily.)

Komane: Why are you looking at me like that for?

Utan: I'm sorry.

Komane: All because of a terrible dream, you freaked out? Nightmares usually don't last long.

Utan: It's more than just a nightmare - I'm cursed by it. It's has been around ever since I saw those creatures in Hawaii.

Komane: Well, you have no reason to be upset. You happen to be immune to the Angra Maniyu's effects due to your gauntlet.

Utan: Yes, I happen to be immune to them. What's immunity against the Angra Maniyu going to do if you can't destroy it?

Komane: Utan, you have the ability to generate almost any weapon you want; destroying that thing would be easy.

Utan: No, not every weapon. There's a specific weapon that I want to generate. It's the Jeweled Axe Sword.

Komane: That? Why would want to use that for? You realized what happened the last time you were able to generate the Golden Axe Sword, do you? How could you possibly generate a weapon of that caliber?

Utan: I do. However, it didn't happen; my body is occasionally used to it now. So, where's Kohaku?

Komane: She's in her room.

Utan: I'm going out to the bar where the two schoolboys were killed last night. I'm quite sure that it was Satsuki that did this.

Komane: Are you serious? What about the poison?

Utan: What about it? I'm using the mind and time gems to stop its progression in my body; talk about multi-tasking.

Komane: I would like to come along with you.

Utan: I thought you would. Let's go.

Utan and Komane were wondering where Akiha and the others have went, they weren't in the mansion.

Komane: Where's Akiha and the others at?

Utan: I'm guessing they must be patrolling the area.

Komane: Where's Hishui?

Utan: Nevermind, let's go before she shows up.

Utan and Komane leave the mansion and head uptown to the bar.

Owner: Sorry, no customers tonight. This place is about to close.

Utan: My companion and I would like to ask you a few questions about what happened here last night.

Owner: Are you an investigator? I had a couple of them come in and ask me what happened here.

Komane: Some luck we have. I guess we're done here.

Utan: You can go home. You're withholding vital information; I'm not leaving until I get it. (uses the power gauntlet on the owner to see what happened yesterday. It was almost like he was in that man's shoes.)

Komane: Utan? What are you doing?

Utan: I'm seeing what this guy has seen yesterday. (Utan sees a woman with light purple hair in his vision.) It's her.

Komane: Satsuki?

Utan: No, it was someone else. I could barely see that person's eyes, it looks like her eyes were faded. Let's go the ladies' room and find any traces of blood in there. (freezes time by using his power gauntlet.) Let's go, Komane.

Komane: Right.

Utan and Komane enter the ladies' room. There weren't any traces of blood in the bathroom. Utan was able to use his UV vision by using the mind and space gems and wasn't able to find any traces of blood.

Komane: So were you able to find it?

Utan: No, this entire bathroom is spotless. Let's see if we can find Satsuki tonight.

Komane: What about the owner?

Utan: As soon as we leave, he won't know we were here and time will revert.

Komane: Ok.

Utan and Komane leave the bar and time reverts. After a few miles, Komane starts to get hungry.

Komane: Utan, I would like to go get something to eat.

Utan: Sure. But, I'm not hungry. Go on ahead; I'm looking for Satsuki.

Komane: I think we should search for her together.

Utan: Yes, but we'll cover more ground if we split up. Besides, your tracking device still works, doesn't it?

Komane: Yeah, I get a few unnecessary static every now and then. You are coming back to the mansion, aren't you?

Utan: Of course I am.

Komane: We will search for her for an hour.

Utan: Fair enough. Let's do this.

Utan and Komane split up to do their own independent search for Satsuki. After a few miles, Utan was able to spot the person that he saw in his vision with the man at the bar, only to see that she was attacking some members from a gang.

Utan: Hold it. Why are you attacking this woman?

Gang Member #1: Who the hell are you?

Utan: I'm Utan. I suggest you stop what you're doing and go home right now.

Gang Leader: Utan?

Gang Member #2: That's the guy that was on the news.

Gang Member #1: Shinji said he was offering a reward for anyone that can kill him.

Gang Leader: Seems fair to me. Get him.

Utan: You people never learn do you? (Utan attacked the gang members. When he got through, the leader of the group was left.)

Gang Leader: (gets out a knife and hold her hostage.) Stay back.

Utan: You really are a coward. Obviously, you're not used to seeing someone who can fight back - - other than her.

Gang Leader: Shut up!! If you take another step, I'll cut her throat.

Utan: If you do it, I'll do the same to you.

But before he could do that, the woman managed to break free from the leader's grasp and kicked both of his arms out of socket.

Gang Leader: (falls down.) I can't move!! My arms, what have you done?

Utan: That's what you get for underestimating us.

Gang Leader: Please, you can't leave me like this.

Utan: (grabs the gang leader.) Ok, where's Shinji? You said he was offering a reward for my head, so you better start talking.

Utan petrified the gang leader in fear. He was really upset with the gang leader and puts him down.

Utan: No wonder. You really are a coward.

???: I'm impressed.

Utan: Yeah, right. I wonder who taught you those moves and why are you wearing sunglasses in the middle of the night?

???: Is that a problem?

Utan: (he feels a sense of uneasiness.) At least you're outside. Anyway, these people are stupid.

???: I wouldn't be too sure.

Utan: Where's Shinji?

???: I'll take you to him.

Utan: (gets on the motorcycle, but he had an ill feeling.) Are you sure?

???: I don't mind.

They drive to Shinji's house; after a couple of minutes, they arrive.

???: Are you going to get out?

Utan: Ladies first. (senses something familiar. He was in shock as she took off her helmet, it's Rider.) You!

Rider: I'm surprised you're not going to run away or fight me.

Utan: (he decided to lower his guard.) I have no reason to; besides, I just wanted to have a peaceful chat with your master about Zoukenou.

Rider: (thinking silently.) Zoukenou? (speaks.) Would like to come inside?

Utan: Sure.

Utan went inside Shinji's house along with Rider. Meanwhile at the mansion, Hisui decides to see how Utan was feeling after Kohaku did to him. But, Ms. Heart was in the room.

Ms. Heart: Hello. I was wondering where Utan is.

Hisui: Huh? Why do you want him?

Ms. Heart: The usual. (she grabs Hisui and absorbs her energy.)

Then, Kohaku appears.

Kohaku: Hisui.

Ms. Heart: (grabs her and absorbs her energy, as well.) Pathetic.

Ms. Heart leaves the mansion. Meanwhile back at Shinji's house, Utan was having second thoughts leaving Hisui and Kohaku alone in the mansion. Rider was sitting on his lap while drinking a glass of red wine.

Rider: What's wrong?

Utan: Are you sure Shinji's coming here? It's getting late.

Rider: Why do you ask?

Utan: No, it's not that - - - (becomes distracted but he maintains his composure.) it's just an unnatural feeling. Can I see him tomorrow?

Rider: Why won't you stay here?

Utan: Something just came up. (he looks at her in guilt.) Sorry.

Utan leaves. Right after he left, True Assassin appears.

True Assassin: Why didn't you kill him?

Rider: Don't worry, I will. So, where's Shinji?

True Assassin: He's doing a couple late night errands. We'll leave Utan to your charms. (he disappears.)

Utan just ran as far away from that house; after a few miles, he catches his breath. But, he was shocked to see Saber.

Utan: Saber? What are you doing here?

Saber: What do you think?

Utan: Don't tell you're patrolling along with Akiha?

Saber: Yes, I saw you with Rider. What were you planning?

Utan: It isn't what it looks like; maybe I can have her as my servant and put an end to this war.

Saber: Don't be ridiculous.

Utan: (looks at her as calmly as possible.)

Saber: I'm not stopping you, but it will be your loss if you go there alone.

Utan: (invisibly angered.) Alright. I don't care much about losing anyway, but I do have a war to finish. (leaves.)

Utan heads to the mansion. As soon as he entered, Hisui was in the living room unconscious.

Utan: (checks to see if she's ok.) Hisui? Looks like she's out of it.

Then Komane enters.

Komane: (sees Kohaku pulling out a knife.) Utan, look out.

Utan was able to dodge Kohaku's attack, but Hisui was able to hold on to him so he wouldn't escape. He attacked her again as soon as Kohaku tried to attack Hisui and him.

Utan: Great. (senses Ms. Heart's dark aura within them.) Come on.

Utan was able to use the Power Gauntlet to absorb Ms. Heart's dark aura within them. As he caught that aura, he expelled them.

Komane: Are you alright?

Utan: What do you think? They're fine; Kohaku would have been dead if I didn't show up in time. Anyway, we have to get ready for tomorrow.

Komane: For what?

Utan: I was able to find the whereabouts of Zoukenou. Hopefully, we can get a new servant to put end to this war and destroy the Angra Maniyu in the process.

Komane: Uhh, I'm not so sure. We were able calm down some of their major attacks here; there's no telling how powerful they'll become.

Utan: Just stick to the plan.
