

Chapter 5 - Queen of Hearts (Part 2)

The King of the Royal Flush Gang was able to come to terms with Ms. Heart and made her the Queen of his group. Diamond was upset that he chose Ms. Heart; Spade tries to comfort her.

Spade: What's wrong?

Diamond: She's supposed to be dead. What happened?

Spade: I don't know. There's something off about how she was able to come back here.

Diamond: Something off? However, she and Jason have a lot of explaining to do.

Spade: To you, yes. I was only seventeen when I joined this gang; just when I was about to know her, she was traveling along with some Asian guy when they took Utan to Japan.

Diamond: What were they doing over there?

Spade:

Diamond: Well?

Spade: I have no idea; probably some freaky shit.

Then, Ms. Heart appears.

Diamond: Hi, Ms. Heart. (she didn't even notice her.)

Spade: Don't mind her. I guess our first order of business for her is getting the guys that attacked Club.

Diamond: Hey, Ms. Heart.

Ms. Heart: What do you want?

Diamond: You want to join us?

Ms. Heart: No. I just need some time to recover during my encounter with Utan. He is going to be there.

Diamond: What? You're scared of him?

Ms. Heart:

The next day, it was 10:55 AM. Utan, Nemo Uga and the Rosso Brothers were getting everything ready.

Utan: How much time we got?

Uga: Five minutes.

Michaelis: It's a good thing we were able make it here on time. Utan, you brought all the chicken and hamburger patties?

Utan: Yes, let me go get them out of my car.

Utan goes straight to his car to go get the patties. But before he could return back to the station, he sees Commander Ugoh along with a couple of people from MageCorps nearby talking to Mr. H. Utan ignores them.

Michaelis: What's going on over there?

Utan: Nothing. And that guy would have to be here.

Uga: Who is that guy?

Utan: Commander Martellus Lee Ugoh. He is one of the co-commanders of MageCorps; it looks like he's recovered from that arm injury.

Uga: Ok. The customers are ready to be served.

Martellus: Good afternoon, Utan.

Utan: What do you want?

Martellus: I came by to see what you were doing with your miserable life so far.

Utan: If this is about us joining MageCorps, I'm not interested in your damned offer. Other than that, would you like to buy something here?

Martellus: No. I just talked with Mr. H warning him about your past experiences in working with us.

Utan: It's all in the past. I heard that he also gave you a warning about interfering with our business; I sure hope you got a lot of money to burn for your organization.

Martellus: Why you arrogant bastard.

Gideon: Ok, Commander.

Martellus: I'm just warning you about one thing. If you injure any of my soldiers, I'll personally kill you. Let's go back to headquarters.

Michaelis: Wait, Commander. Here's your bottled water.

Martellus snatches the bottle from him and leaves. Utan was feeling a bit upset that he did that.

Uga: That's the commander of MageCorps? What a jerk. Hey!! You forgot to pay for that.

Utan: He already gave some money to Mr. H.

Uga: Oh, look we got another customer.

It was a little girl with wearing white tee shirt with a black star, light denim shorts and long brown hair with a green ribbon. (Miyako Arima)

Uga: What would you like?

Miyako: I would like some water.

Utan: Here you go; it's free.

Miyako: I don't have to pay anything?

Utan: I'm guessing you're from Japan, aren't you?

Miyako: (feeling upset.) Thank you. (leaves.)

Uga: Why did you do that for?

Utan: Look, I think that water should be free for everyone. Mr. H won't mind.

Then someone trips Miyako. It was Mr. Club.

Utan: Who the hell is this guy?

Nicholas: Is that one of the members of the Royal Flush Gang?

Uga: The Royal Flush Gang, who are they?

Utan: I don't care who they are; for them to pick on this girl is inexcusable. (he goes after them.)

Michaelis: No. Wait, Utan.

Utan goes straight at Mr. Club and pushes him away from Miyako.

Utan: Stop right there.

Mr. Club: Are you Utan?

Utan: Yes I am. What's your problem attacking this girl?

Mr. Club: I mistook her as your sister. But it looks this girl's nothing more than a mere slut.

Utan ran straight to Mr. Club and grabbed his busted ear and ripped it off. Everyone in the park was in shock after seeing that from Utan.

Mr. Club: (shocked from seeing blood on his hand.) What the fuck's your problem?

Utan: Isn't it obvious? (threw Mr. Club's ear on the ground.) Apologize to her, right now.

Mr. Club: I think you're the one who needs to apologize to me. (gets up.) DO YOU REALIZE WHO YOU FUCKING WITH, BOY?!!

Then, Miyako kicks him from behind in the nuts.

Mr. Club: My nuts. (falls down to the ground.)

Utan: Well, I guess I didn't have to do anything.

Michaelis: Utan, you realized what you have done? Starting a fight against MageCorps is one thing, but now you're picking fight against one of the most notorious gangs here in Hawaii.

Miyako: It was my fault. I should have done something.

Utan: It's alright. I got everything under control with this group; move along, kid.

Miyako was disgusted that he called her kid. She Leaves.

Utan: How severe is the injury, Michaelis?

Michaelis: It's could have been worse. We're going to have to take him to the hospital.

Mr. Club: I don't need your damned pity; leave me alone.

Utan knocks him out.

Michaelis: Why did you do that for?

Then, security appears.

Security Officer #1: What's going on over there?

Utan: It's not what it looks like; I was just defending myself, that's all.

Security Officer #1: Sure you were. I'm afraid I'm going to have to arrest you for what you just did.

Miyako: Hey, he was just - - -

Utan: It's alright. (holds his hands out to be cuffed.) I'll cooperate.

The officers pinned him down to the ground and cuffed him. A few hours later, Utan was bailed out by Mr. H; he had to use a hundred thousand dollars.

Mr. H: I sure hope you're proud of yourself, young man.

Utan: I am sorry for doing that to you. I should have controlled myself better than that.

Mr. H: I would have done the same thing, but you're wrong to display that violent nature to the public. You're giving the people the wrong impression about why you came here.

Utan: Am I allowed to come back and work?

Mr. H: No. Sit this one out for tomorrow; until I evaluate your behavior with your mother, you're free to work.

Utan: Yes, sir.

Mr. H leaves. Meanwhile at the hospital, Grace was able to sneak into Dr. Joy Belmont's office to find out about Utan.

Grace: There's something very unusual about this guy. Dr. Belmont's hiding something from me.

Grace was searching through Utan's medical records and was shocked to find out that Joy classified him as a "human inheriting demonic and vampire powers".

Grace: A hybrid? Maiya was harvesting a hybrid? Just wait until the Church hears about this.

Then, Joy enters.

Joy: What are you doing?

Grace: Nothing. I was just - - - Uh, it's been a long day; I guess I should be going.

Joy: But before you go, go check on Christian.

Grace: Christian?

Joy: Christian O'Reilly. This guy had got his ear ripped off after picking a fight against Utan.

Grace: Utan again? Damn it, how many times is he going to hurt these people? He needs to be dealt with.

Joy: I realize your concern, but I need him for my research.

Grace: Research? On what? (she was silent.) Oh, I get it; you want to end vampirism.

Joy: That's it. (her eyes turned red.) I had enough of your attitude, young lady; you're fired.

Grace: Good; I just about to quit after I found out about Utan's dirty little secret.

Joy:

Grace: It's all over; it will be a matter of time until the members of the church find out about Utan.

Joy punches Grace in the stomach and she was knocked out.

Joy: (her eyes turned back to their normal color.) Security. Take this woman out of here.

Security Officer: Yes, ma'am.

The security officers removed Grace Herman from the hospital. Back at Utan's house, he was getting ready to go to sleep along with Komane.

Utan: Some day this is.

Komane: What happened?

Utan: I got into another fight. Mr. H had to bail me out after I ripped a man's ear off.

Komane: How did you do that?

Utan: It was just an impulse. I never reacted violently to an insult like that.

Komane: What happened?

Utan: That guy called the girl from Japan a slut.

Komane: That was a good job; I would have done the same thing.

Utan: I just don't understand why I saw red after I ripped that guy's ear off.

Komane: Try not to worry about it too much. It's only natural for man to have their blood boil over a girl.
Goodnight.

Utan: That's easy for you to say. (thinking silently.) Great. Now, I'm going to train my hands to withstand their kicks again.

Utan goes to sleep.
